students of University of Mumbai. This book has been designed to provide comprehensive coverage of the syllabus prescribed by the University of Mumbai. It covers the topics as mentioned in the syllabus for the subject in a simple and lucid style. A significant value addition is the inclusion of questions related to each topic from previous examinations. KEY FEATURES • Theoretical questions with answers given in each chapter • Numerous questions with hints for answers from previous university examinations • Students will know the trend and pattern of examinations by using this book

Dr. Shetty's provocative statements and prescriptive solution to various problems facing the oldest and the largest democracies in the world has been thoroughly analyzed and scrutinized. The author's life history has been highlighted to show to the younger disillusioned generation that one can reach pinnacle of success in spite of all the ups and down in life. Dr. Shetty, a highly educated and qualified drug discovery scientist, received his Ph.D. two M.S. and two B.S. degrees from U. Penn and University of Science in Philadelphia. He has received scientific awards, authored and coauthored scientific papers and patents, lectured and chaired national and international conferences all over the world. Dr. Shetty was born in India, became a naturalized citizen of the United States of America, the
