This book is the solution of Living Science Biology class 8th (Publisher Ratna Sagar). It includes solved & additional questions of all the chapters mentioned in the textbook. Recommended for both ICSE and CBSE students.

This book is the solution of Living Science physics class 8th (Publisher Ratna Sagar). It includes solved & additional questions of all the chapters mentioned in the textbook. Recommended for both ICSE and CBSE students.

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding

and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)

A known-to-unknown approach has been followed in developing the concepts using the experimental method. The new HOTS (Higher Order Thinking Skills) questions section will greatly enhance the development of independent thinking skills. My Virtual Library section lists websites from where children can get more information. In the Laboratory motivates children to work on experiments and projects along with Science Virtual Resource Centre [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)

The workbooks will help the students make a self-assessment of all they have learnt from the main textbooks. A FACTOPAEDIA containing scientific facts has been incorporated to help students in creating awareness about the world of science. The exercises have been divided into Building Up Vocabulary, Reinforcing Concepts, Strengthening Expression and Developing Independent Thinking and application and a Science Virtual Resource Centre on [www.science.ratnasagar.co.in](http://www.science.ratnasagar.co.in)
