From the editors of REAL SIMPLE Magazine comes the definitive, clutter-busting, space-maximizing road map to create a happier home. The Real Simple Method to Organizing Every Room offers smart solutions and detailed guidance to help you rein in the chaos, no matter how little time you have. This book helps you take control room by room with handy checklists, hundreds of practical tips, and inspiring photographs. A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Learning how and taking time to nurture yourself isn't selfish, in fact, it's a crucial part of your overall health. This special edition from Real Simple shares tips, tricks, and practices to help nurture the inner you. Practicing self-compassion provides you with the tools to take on small challenges with authority and to cope when things seem hard and out of control.

In the pages of *Real Simple Spring Cleaning*, you'll find the best shortcuts and time-saving tools, ways to get ahead of the mess, tips for enlisting family members, and strategies that make sense for your particular time constraints.
