All day, all Little G hears about are rules-rules from his mom and dad, rules from his teacher, rules from his pastor and Sunday school teacher at church. If little G wants to sleep in, he has to get up and get ready for school because that's the rule. If he wants to eat ice cream, he has to eat his vegetables first because that's the rule. Even when he rides his bike, he has to stay where his parents can see him because that's the rule. But what would happen if Little G got to live in a world without rules? What if Little G could eat cookies, candy, and ice cream all day, stay up late, and ride his bike anywhere without his parents watching? In A World Without Rules, Gloria Grace tells the story of what happens to Little G when he no longer has to follow any rules. Will life without rules be as much fun as Little G always imagined? Or will he discover that a world without rules is a little too crazy even for him?

The not so serious guide to the stuff we're all fighting about. While a husband and wife's parenting styles may be worlds apart, they both have the same goal: to raise

happy kids who feel unconditionally loved. Mom vs. Dad is packed with sidesplitting and vulnerable personal essays from the trenches of parenthood. In this book, Lucy and Tom Riles tackle relatable topics such as: Is bringing a toaster oven to a 5-star resort tacky or genius? Is it appropriate to lick your plate clean at a restaurant? Does the expiration date on food really matter? Illustrations of family life will also be included in this intimate and inspiring narrative about the challenges and triumphs of raising children. Mom vs. Dad is the perfect gift for anyone who needs a relatable couple to guide them through some of the toughest (and funniest) issues parents face today.

Does God really move in people's lives? Have you ever witnessed a miraculous situation and thought, "Only God could have done that!"? But what makes Him decide to act in one's life or bring blessings? And how much time do we really have to decide whether or not to submit our lives to Christ? Can we afford to wait and put off preparing for our ultimate destiny? The answers to these questions are explored in this timely story about those who put faith first as they watch God move in their lives

"A woman whose life has been plagued by the disappearances of loved ones reluctantly confronts her family's troubled past in this enigmatic story of loss, forgiveness and the power of friendship"--Provided by publisher.

The Archetype Bundle for KULT: Divinity Lost contains reference sheets for the 25 Archetypes available in the KULT: Divinity Lost Core Rules, for easy access during character creation. In addition, the bundle includes 6 reference sheets detailing the basic Player Moves as well as 6 blank character sheets. In KULT: DIVINITY LOST, the world around us is a lie. Mankind is trapped in an Illusion. We do not see the great citadels of Metropolis towering over our highest skyscrapers. We do not hear the screams from the forgotten cellar where hidden stairs take us to Inferno. We do not smell the blood and burnt flesh from those sacrificed to long forgotten Gods. But some of us see glimpses from beyond the veil. We have this strange feeling that something is not right the ramblings of a madman in the subway seems to carry a hidden message, and, when thinking about it, our reclusive neighbor doesnt appear to be completely human when we pass in the hallway. By slowly discovering the truth about our prison, our captors, and our hidden pasts, we can finally awaken from our induced sleep and take control of our destiny. Made in the
