Love, Rosie (film) - Wikipedia

Rosie Dunne is a worthy protagonist, complex enough to be compelling and ordinary enough to be believable. But Rosie and Alex's early, futile get-together attempts are summarized too quickly to be satisfying, and the letters between Rosie's now adolescent daughter, Katie, and her best friend, a boy named Toby, are too obviously reminiscent of Rosie's childhood correspondence with Alex.

Based on unprecedented access, including stunning interviews with nearly every host, award-winning journalist Ramin Setoodeh takes you backstage where the stars really spoke their minds.
