#1 New York Times bestselling author Sidney Sheldon's most popular and enduring heroine—Tracy Whitney of *If Tomorrow Comes* and Sidney Sheldon's *Chasing Tomorrow*—is back with another story of heart-stopping twists and breathtaking action. Once upon a time, Tracy Whitney was one of the best thieves in the business. Then she settled down, had a baby, and planned to spend the rest of her days quietly, living anonymously, devoted to her son. But tragic news has forced Tracy to face her greatest nightmare. Now, with nothing left to protect, she returns to the hunt—and she's more dangerous than ever. Tracy is not the only woman with a dark and dangerous past. The world faces a new terror threat from a group of global hackers intent on the collapse of capitalism and private wealth and the creation of a new world order. When this group turn to violence, with deadly effect, the mysterious woman pulling their strings becomes the CIA's public enemy number one. Only one clever and ruthless woman is capable of tracking down the terrorist: Tracy. But as Tracy discovers, the truth proves as elusive as her target. Hampered by corruption and enemies masked as allies, Tracy will be pushed to the brink, where she must face her darkest demons. But just how reckless will a person become when she have nothing left to lose?

Four nuns, suddenly severed from the security of convent life by the turbulence of Spanish political unrest, find themselves fighting their enemies and their own desires and struggling to sustain their friendship and their lives

Kate Blackwell is the symbol of success—a beautiful woman who has parlayed her inheritance into an international conglomerate. Now, celebrating her 90th birthday, Kate surveys the family she has manipulated, dominated, and loved: the fair and the grotesque, the mad and the mild, the good and the evil—her winnings in life.

The New York Times Bestselling Author Thrilling and nail-biting, *The Phoenix* has all the trademark glamour, suspense and unexpected twists of a classic Sidney Sheldon novel. A deadly enemy will rise again...

Somebody was watching her She had read about stalkers, but they belonged in a different, faraway world. She had no idea who it could be, who would want to harm her. She was trying desperately not to panic, but lately her sleep had been filled with nightmares, and she had awakened each morning with a feeling of impending doom. Thus begins Sidney Sheldon's chilling new novel, *Tell Me Your Dreams*. Three beautiful young women are suspected of committing a series of brutal murders. The police make an arrest that leads to one of the most bizarre murder trials of the century. Based on actual events, Sheldon's novel races from London to Rome to the city of Quebec to San Francisco, with a climax that will leave the reader stunned.
