Hellraiser C-1 / Hellraiser C-1 FR / Hellraiser C-1. Schecter Guitar Research. carefully taken from a guitar magazine. for that special fan, guitar owner or collector. cardboard slab inserts for extra protection.

From renowned guitarist and multi-Emmy-award winning composer, Brian Tarquin, comes a display-quality, full-color reference guide to guitars. The Guitar Encyclopedia begins with the history of guitars spanning back to the birth of Epiphone by a Greek immigrant and the great inventions of Les Paul, to the boom of the Rock- ' n-Roll-shredder days with Ibanez guitars and the futuristic designs of the Gibson Moderne and the Randy Rhodes Polka Dot Flying V. The book also contains interviews from guitar designers such as Fender and Eastwood, as well as boutique companies such as Gander and Specimen. A far cry from other dry schematic encyclopedias, this book details the connections between different guitars and the monumental recordings that they produced. With introductions by Gary Hoey, Chris Poland (Megadeth), and Eric Shoaf (Vintage Guitar magazine), this book provides a rich and unique account of iconic guitars throughout history. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Gathers unusual and little-known facts about rock and roll performers, groups, recordings, and history

The inside story of the founding and growth of Taylor Guitars, one of the world's most successful guitar manufacturers Bob Taylor mixes the details of his experience as a tradesman and cofounder of Taylor Guitars, a world-famous acoustic and electric guitar manufacturer, with philosophical life lessons that have practical application for building a business. From the “ a-ha ” moment in junior high school that inspired his very first guitar, Taylor has been living the American dream, crafting quality products with his own hands and building a successful, sustainable business. In Guitar Lessons, he shares the values that he lives by and that have provided the foundation for the company ’ s success. Be inspired by a story of guts and gumption, an unwavering commitment to quality, and the hard lessons that made Taylor Guitars the company it is today.

(Guitar Book). Make every dollar count with the new 15th Edition Blue Book of Electric Guitars! This edition boasts 1,400 pages including a revised color Photo Grading System. It also has guitar reference information and values on over 1,250 guitar manufacturers/distributors including Fender, Gibson, Paul Reed Smith, Ibanez, Gretsch, Epiphone, Washburn, B.C. Rich, Jackson, and Guild as well as many independent luthiers and custom builders. You'll be sure to make every dollar count when buying or selling with over 12,500 electric guitars listed!

The original version of this guide has sold over 30,000 copies. This new edition has been expanded by 25% and promises to become an invaluable resource. For collectors, dealers and players, this completely updated "field guide" provides specifications, serial numbers, and more for determining the originality of vintage American acoustic and electric fretted instruments. Detailing thousands of models by every major manufacturer, the book now includes expanded coverage of Martin, Guild, Mosrite, Dobro, Gibson banjos, Fender amps, Gibson amps, plus updates on the latest models from Fender, Gibson, Rickenbacker, and others since 1990.

The PRS Guitar Book details every facet of the wonderful electric guitars made by PRS, the Maryland-based company founded in 1985 by musician and guitar builder Paul Reed Smith. The paperback edition is updated to include all the latest information on the acclaimed Singlecut models, as well as the intriguing story of the Santana SE – the company's first venture into overseas manufacture. An inviting narrative describes the evolution of this internationally renowned guitar maker, while dynamic color photography spotlights outstanding PRS guitars such as the Signature, signed by Smith; the Dragon, sporting opulent shell inlays; the Swamp Ash Special and Rosewood Limited, using non-standard materials; and ultra-rare models from limited and custom runs. Other featured guitars include the latest acoustic-electrics, and the Santana models that celebrate the partnership between PRS guitars and their best-known player, Carlos Santana. A special section highlights the company's famed use of highly patterned maple woods, displaying the most stunning “ flame-top ” and “ quilt-top ” examples. This definitive book also provides an absorbing photo-essay on the making of a PRS guitar, plus specifications for identifying and dating PRS instruments.

Newly revised and updated, this do-it-yourself primer for owning and maintaining an electric guitar covers a vast array of essential information, including choosing the right guitar, personalizing and improving on a "factory setup," basic guitar electronics, troubleshooting and much more. Original.
