Shadows in Flight is a science fiction novel by American writer Orson Scott Card. When released in 2012, it became the tenth novel published in the Ender's Game series. The story follows on from where the original four "Shadow series" books left off.

~~Shadows in Flight - Wikipedia~~

Shadows in Flight Orson Scott Card-Julian Delphiki, Bean and Giant-- The father of Cincinnatus, Carlotta and Ender-Carlotta-daughter of Julian, with the intelligence to pass any engineering degree-Cincinnatus-son of Julian, one of the greatest military minds in the known world-Ender Delphiki, son of Julian, smart enough to earn a doctorate-Shadows in Flight starts when Julian and his three ...

~~Shadows in Flight (Ender's Shadow, #5) by Orson Scott Card~~

Shadows in Flight kann nicht für sich allein stehen! Ohne die Vorgeschichte der Ender's Shadow Serie macht die Geschichte keinen Sinn. Selbst mit der Vorgeschichte, die in jedem Fall das Bedürfnis nach dieser Weiterführung schürt, ist doch zu spüren, dass diese Geschichte eben nur dieses Bedürfnis nach Mehr bedient. Card war schon (viel) besser. Read more. Helpful. Sending feedback ...

~~Shadows in Flight (Ender): Amazon.co.uk: Card, Scott ...~~

Card's writing is hugely varied. The first three books of the Bean saga post-Ender, were deeply plotted, well considered and engrossing. By contrast Shadows in Flight which picks up the baton 6 years (subjectively from Bean's perspective) after the third book is lightweight, superficial, and unsatisfying.

Shadows in Flight is the fifth novel in the Shadow Saga, following Shadow of the Giant and preceding The Last Shadow. It was written by Orson Scott Card.

~~Shadows in Flight | Ender's Game Wiki | Fandom~~

Shadows in Flight finally gets back to the story fans like me have been waiting for years. What happens to Bean and his children after they leave earth. Even though its a shorter book, it didn't seem like filler between novels but a new story that needed telling and OSC does it with his usual finesse. It was a great listen with such an amazing cast of narrators. I don't know what I'm going to ...

~~Shadows in Flight Audiobook | Orson Scott Card | Audible.co.uk~~

On the surface, Shadows in Flight is like an unnecessary extension to a perfect story. There's no particular drama, no tension, no mortal peril. The story starts simple from where it left off.

~~Shadows in Flight (The Shadow Series, 5): Card, Orson ...~~

Connection to Shadows in Flight. This novel was originally set to be titled Shadows in Flight, but Card decided to swap titles with the intermediary fifth book in the Shadow series (released on January 17, 2012), which serves as a bridge to the final book. The concluding events of Shadows in Flight were initially planned for the first chapter of final book, with working title Shadows Alive.

~~The Last Shadow - Wikipedia~~

Description At the end of "Shadow of the Giant", Bean flees to the stars with three of his children - who share the engineered genes that gave him both hyper-intelligence and a short, cruel physical life. The time dilation granted by the speed of their travel gives Earth's scientists generations to seek a cure, to no avail.

Ender's Shadow explores the stars in this all-new novel... At the end of Shadow of the Giant, Bean flees to the stars with three of his children--the three who share the engineered genes that gave him both hyper-intelligence and a short, cruel physical life. The time dilation granted by the speed of their travel gives Earth's scientists generations to seek a cure, to no avail. In time, they are forgotten--a fading ansible signal speaking of events lost to Earth's history. But the Delphikis are about to make a discovery that will let them save themselves, and perhaps all of humanity in days to come. For there in space before them lies a derelict Formic colony ship. Aboard it, they will find both death and wonders--the life support that is failing on their own ship, room to grow, and labs in which to explore their own genetic anomaly and the mysterious disease that killed the ship's colony. Shadows in Flight is the fifth novel in Orson Scott Card's Shadow Series. Bean moves with three of his children into a derelict space colony ship where they hope for a cure to engineered genes that give them high intelligence and short lives, a situation that is complicated when space-time distortions cause them to be forgotten by humanity.

Orson Scott Card brings us back to the very beginning of his brilliant Ender Quartet, with the novel that begins The Shadow Series and allows us to reenter Ender's world anew. With all the power of his original creation, Ender's Shadow is Card's parallel volume to Ender's Game, a book that expands and complements the first, enhancing its power, illuminating its events and its powerful conclusion. The human race is at War with the "Buggers", an insect-like alien race. The first battles went badly, and now as Earth prepares to defend itself against the imminent threat of total destruction at the hands of an inscrutable alien enemy, all focus is on the development and training of military geniuses who can fight such a war, and win. The long distances of interstellar space have given hope to the defenders of Earth--they have time to train these future commanders up from childhood, forging then into an irresistible force in the high orbital facility called the Battle School. Andrew "Ender" Wiggin was not the only child in the Battle School; he was just the best of the best. In this new book, card tells the story of another of those precocious generals, the one they called Bean--the one who became Ender's right hand, part of his team, in the final battle against the Buggers. Bean's past was a battle just to survive. He first appeared on the streets of Rotterdam, a tiny child with a mind leagues beyond anyone else's. He knew he could not survive through strength; he used his tactical genius to gain acceptance into a children's gang, and then to help make that gang a template for success for all the others. He civilized them, and lived to grow older. Bean's desperate struggle to live,

and his success, brought him to the attention of the Battle School's recruiters, those people scouring the planet for leaders, tacticians, and generals to save Earth from the threat of alien invasion. Bean was sent into orbit, to the Battle School. And there he met Ender.... THE ENDER UNIVERSE Ender series Ender's Game / Ender in Exile / Speaker for the Dead / Xenocide / Children of the Mind Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight Children of the Fleet The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm /The Hive Ender novellas A War of Gifts /First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Orson Scott Card's The Last Shadow is the long-awaited conclusion to both the original Ender series and the Ender's Shadow series, as the children of Ender and Bean solve the great problem of the Ender Universe—the deadly virus they call the descolada, which is incurable and will kill all of humanity if it is allowed to escape from Lusitania. One planet. Three sapient species living peacefully together. And one deadly virus that could wipe out every world in the Starways Congress, killing billions. Is the only answer another great Xenocide? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"The classic of modern science fiction"--Front cover.

From National Book Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. They possess a few remnants of civilization: some books, a pane of glass, a set of flint and steel, a comb. The father teaches the girl how to fish and hunt, the secrets of the seasons and the stars. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, The Bear is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: The Signal Flame, a Chautauqua Prize finalist, and The Sojourn, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which inspired much of the landscape in The Bear.

In a future world where the fundamentalist government distorts true Christianity, a winged girl named Caitlyn escapes to the Outside but soon finds herself on the run again from an organization seeking her body's genetic information.

After twenty-three years, Orson Scott Card returns to his acclaimed best-selling series with the first true, direct sequel to the classic Ender's Game. In Ender's Game, the world's most gifted children were taken from their families and sent to an elite training school. At Battle School, they learned combat, strategy, and secret intelligence to fight a dangerous war on behalf of those left on Earth. But they also learned some important and less definable lessons about life. After the life-changing events of those years, these children—now teenagers—must leave the school and readapt to life in the outside world. Having not seen their families or interacted with other people for years—where do they go now? What can they do? Ender fought for humanity, but he is now reviled as a ruthless assassin. No longer allowed to live on Earth, he enters into exile. With his sister Valentine, he chooses to leave the only home he's ever known to begin a relativistic—and revelatory—journey beyond the stars. What happened during the years between Ender's Game and Speaker for the Dead? What did Ender go through from the ages of 12 through 35? The story of those years has never been told. Taking place 3000 years before Ender finally receives his chance at redemption in Speaker for the Dead, this is the long-lost story of Ender. For twenty-three years, millions of readers have wondered and now they will receive the answers. Ender in Exile is Orson Scott Card's moving return to all the action and the adventure, the profound exploration of war and society, and the characters one never forgot. On one of these ships, there is a baby that just may share the same special gifts as Ender's old friend Bean... THE ENDER UNIVERSE Ender series Ender's Game / Ender in Exile / Speaker for the Dead / Xenocide / Children of the Mind Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight Children of the Fleet The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm /The Hive Ender novellas A War of Gifts /First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The planet Lusitania is home to three sentient species: the Pequeninos; a large colony of humans; and the Hive Queen, brought there by Ender. But once against the human race has grown fearful; the Starways Congress has gathered a fleet to destroy Lusitania. Jane, the evolved computer intelligence, can save the three sentient races of Lusitania. She has learned how to move ships outside the universe, and then instantly back to a different world, abolishing the light-speed limit. But it takes all the processing power available to her, and the Starways Congress is shutting down the Net, world by world. Soon Jane will not be able to move the ships. Ender's children must save her if they are to save themselves. Children of the Mind is the fourth book in Orson Scott Card's The Ender Saga.
