Georges Bataille's Story of the Eye - Full Movie 12003

Story of the Eye
Georges Bataille, French essayist and novelist, was born in 1897. He was converted to Catholicism, then to Marxism and was interested in psychoanalysis and mysticism. As curator of the municipal library in Ori é ans, he led a relatively simple life, although he became involved, usually on the fringes, with the Surrealist movement.

Story of the Eye eBook online Read

'Story of the Eye' is a scathing critique of the tendency, in both Hollywood and literature, to trivialize female sexuality and power. Simone and Georges battle over the metaphorical 'eye' but the real tension exists in the struggle over who gets to tell the story and ultimately, which story gets told.

Story of the Eye (2012) - IMDb

About Georges Bataille: French essayist, philosophical theorist, and novelist, often called the metaphysician of evil. ... Story of the Eye by: Georges Bataille, Joachim Neugroschel (Translator), David Bergelson (Translation) ... Story of the Eye by Georges Bataille | NOOK Book (eBook)

A pornographic fantasy in which the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression.

Bataille ' s first novel, published under the pseudonym ' Lord Auch ' , is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacrilegious, Story of the Eye is the fullest expression of Bataille ' s obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

Novel, translated by Joachim Neugroschel. Bataille's scandalous STORY OF THE EYE, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including EROTISM and THE TEARS OF EROS, also published by City Lights and available from SPD.

In 1928, Georges Bataille published this first novel under a pseudonym, a legendary shocker that uncovers the dark side of the erotic by means of forbidden obsessive fantasies of excess and sexual extremes. A classic of pornographic literature, Story of the Eye finds the parallels in Sade and Nietzsche and in the investigations of contemporary psychology; it also forecasts Bataille's own theories of ecstasy, death and transgression which he developed in later work.

Set against the backdrop of Europe's slide into Fascism, Blue of Noon is a blackly compelling account of depravity and violence. As its narrator lurches despairingly from city to city in a surreal sexual and mental nightmare of squalor, sadism and drunken encounters, his internal collapse mirrors the fighting and marching on the streets outside. Exploring the dark forces beneath the surface of civilization, this is a novel torn between identifying with history's victims and being seduced by the monstrous glamour of its terrible victors, and is one of the twentieth century's great nihilist works.

'[An] elegantly written, unsentimental memoir.'—PEOPLE MAGAZINE [PEOPLE's Pick of the Week]
Winner of the 2014 Nautilus Award represents " Better Books for a Better World " —the Silver Award in the category of Parenting /Family.
When Laura Estreich is born, her appearance presents a puzzle: does the shape of her eyes indicate Down syndrome, or the fact that she has a Japanese grandmother? In this powerful memoir, George Estreich, a poet and stay-at-home dad, tells his daughter's story, reflecting on her inheritance --- from the literal legacy of her genes, to the family history that precedes her, to the Victorian physician John Langdon Down's diagnostic error of "Mongolian idiocy." Against this backdrop, Laura takes her place in the Estreich family as a unique child, quirky and real, loved for everything ordinary and extraordinary about her. "In this wise and moving memoir, George Estreich tells the story of his family as his younger daughter is diagnosed with Down syndrome and they are thrust into an unfamiliar world. Estreich writes with a poet's eye and gift of language, weaving this personal journey into the larger history of his family, exploring the deep and often hidden connections between the past and the present. Engaging and unsentimental, The Shape of the Eye taught me a great deal. It is a story I found myself thinking about long after I'd finished the final pages." —Kim Edwards, author of The Memory Keeper's Daughter "A poignant, beautifully written, and intensely moving memoir" —Abraham Verghese, author of Cutting for Stone " The Shape of the Eye is a memoir of a father ' s love for his daughter, his struggle to understand her disability, and his journey toward embracing her power and depth. Estreich is raw and honest and draws us each into a new view of what it means to be "human " and what it means to be " different. " This book is beautifully written, poetically insightful, and personally transformative. To read it is to rethink everything and to be happy because of the journey. " —Timothy P. Shriver, Ph.D., Chairman & CEO of the Special Olympics "The Shape of the Eye personalizes Down syndrome, bringing a condition abstracted in the medical literature into the full dimensionality of one family's life. It's brave of George Estreich to make what has befallen his family so public, trusting of him to let an unknown audience second-guess the family's choices. Because he's opened his home and heart in this memoir, we are privileged to witness in chaotic, heart-wrenching, joyous detail what it means to have and to love a child with Down syndrome. "—Marcia Childress, Associate Professor of Medical Education (Medical Humanities), University of Virginia School of Medicine

Essays discuss the work of Emily Bronte, Baudelaire, William Blake, Proust, Kafka, Genet, and de Sade, and examine the depiction of evil

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

NEW YORK TIMES BESTSELLER "Nathaniel Philbrick is a masterly storyteller. Here he seeks to elevate the naval battles between the French and British to a central place in the history of the American Revolution. He succeeds, marvelously."--The New York Times Book Review
The thrilling story of the year that won the Revolutionary War from the New York Times bestselling author of In the Heart of the Sea and Mayflower. In the concluding volume of his acclaimed American Revolution series, Nathaniel Philbrick tells the thrilling story of the year that won the Revolutionary War. In the fall of 1780, after five frustrating years of war, George Washington had come to realize that the only way to defeat the British Empire was with the help of the French navy. But coordinating his army's movements with those of a fleet of warships based thousands of miles away was next to impossible. And then, on September 5, 1781, the impossible happened. Recognized today as one of the most important naval engagements in the history of the world, the Battle of the Chesapeake—fought without a single American ship—made the subsequent victory of the Americans at Yorktown a virtual inevitability. A riveting and wide-ranging story, full of dramatic, unexpected turns. In the Hurricane's Eye reveals that the fate of the American Revolution depended, in the end, on Washington and the sea.
