We are delighted to introduce Proceedings of the 3rd International Symposium on Religious Life (ISRL 2020). This conference has brought academicians, researchers, developers and practitioners around the world. In collaboration with Indonesian Consortium for Religious Studies (ICRS) and Indonesian Institute of Sciences (LIPI), the Agency for Research, Development and Training of the Ministry of Religious Affairs (MoRA) convened bi-annual symposium with the following main theme: "Religious Life, Ethics and Human Dignity in the Disruptive Era". The 3rd ISRL highlighted the role of religion and ethics in the disruptive era that erode human values, civility, and dignity. In the processes of development and technological revolution, religion can play an essential role in providing spiritual, moral, and ethical guidance. In the context of the Covid-19 pandemic, religion is perceived in two ways: on the one hand, some faith communities have been willfully negligent and become 'super-spreaders' of the dangerous virus by defying stay-at-home orders. Yet, on the other hand, religion has also galvanized its adherents to support economically vulnerable and marginalized communities affected by the lockdown and social restrictions. Likewise, in democratization, religion gives society the necessary dynamic thrust to maintain its vibrancy, resiliency, and sustainability. This Symposium is therefore expected to delve into the complexity of how religion, religious values and faith communities confront the contemporary challenges to uphold ethics and human dignity. We strongly believe that ISRL conference provides a good forum for all academicians, researcher, developers and practitioners to discuss all religious Life, ethics and human dignity. We also expect that the future ISRL conference will be as successful and stimulating, as indicated by the contributions presented in this volume.

The study of comparative religion is no longer a matter merely for those interested in religion - it is a matter of concern for everybody. For irrespective of whether one believes in God, religion is a major characteristic of identity. And in the post 9/11 world, every educated person is aware of how important it is to understand what others believe. This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world. Eschewing the comforting, but ultimately erroneous and dangerous idea that all religions believe more or less the same thing, each essay examines the role and nature of love in a major religion of the world. It is an invaluable guide for students, teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world's religions. It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures.

K.H. Zainul Mu'in berusaha mengenal semua santrinya. Jika ada santri baru maka cara yang dilakukan K.H. Zainul Mu'in untuk mengenal santrinya adalah dengan cara memanggilnya dan bertanya siapa namanya, setelah itu K.H. Zainul Mu'in akan memberikan tugas kepada santri tersebut. Tugas yang diberikan tidak hanya sekali, tetapi beberapa kali. Seperti memberi tugas untuk menyapu, mencuci baju dan lain sebagainya. Dengan demikian K.H. Zainul Mu'in dapat lebih dalam mengenal santrinya. Berkenaan dengan hal itu, K.H. Zainul Mu'in mengatakan: "Engkok mustak kennalah ka santreh, engkok tak ngubeh santreh nyak bennyak, apah mak bekeh santreh tak kenal ka ghurunah." Artinya: "Jika aku tidak bisa mengenal santri, aku tidak akan mengushu santri terlalu banyak, mana ada santri tidak kenal pada gurunya."Pada intinya seorang murid harus mengenal gurunya dan seorang guru mengenal muridnya. arus diakui saat awal-awal menjadi penghafal Al-Qur'an, pe- hnullis selalu dibayang-bayangi oleh keraguan akut dan disergap rasa pesimis. Ada secuil pertanyaan ganjil yang menyerbu otak penulis, ☐Apakah aku sanggup merampungkan seluruh hafalan Al-Qur'an setebal itu?☐ Namun, berkat usaha yang tak kenal lelah serta diimbangi dengan doa, akhirnya penulis diberi anugerah Allah sehingga mampu merampungkan hafalan Al-Qur'an. Melalui buku ini penulis akan berbagi kisah pengalaman saat menghafal Al-Qur'an kepada pembaca selama penulis menjadi santri penghafal Al-Qur'an.
