~~Video | I've Got A Dream | Sing Along This Dream Tiny House Is A Total Game Changer Is the American Dream Real? King Leopold II /u0026 the Congo Free State (1885-1908)- The History Of Danish Dreams~~

In fact, "The History of Danish Dreams" was actually his first work, written four years prior to "Smilla." There is a strong element of Latin American "magical realism," of which Gabriel Garcia Marquez is the best known practitioner, in this Nordic work.

~~The History of Danish Dreams: Amazon.co.uk: Høeg, Peter ...~~

The careful prose as well as the mapping of the interconnected characters over time was a tiny bit reminiscent of 100 Years of Solitude. Yet the History of Danish Dreams has its own awareness of time (now, back then, and the murky future), societal (Danish) ideals, and the author's firm embrace of 'the moment'.

– Peter Høeg, The History of Danish Dreams. Høeg interrupts the fictional dream and begins telling two stories—the story of Maria as her parents know her and the story of a second child called “ The Stutterer ” who could well be Maria. The only link between the two stories is a series of what must be truancy letters from her school.

transition from a medieval society to a modern welfare state with its accompanying cultural revolutions. Reminiscent of the work of the magical realists but with a distinctive Nordic twist, *The History of Danish Dreams* is a truly magical novel.

Hoeg gives us a very different account of the twentieth century, which in Denmark encompasses the transition from a medieval society to a modern welfare state with its accompanying cultural revolutions. The cast includes a count who builds a wall around his estate and stops all his clocks to prevent the passage of time; an old lady who presides over a powerful newspaper dynasty and predicts the future accurately in print without ever learning to read and write; and Adonis Jensen, who causes his vagabond parents great sorrow through his inability to steal.

I et net, knyttet af skæbnetråde fra sin slægts brogede og mangfoldige, tragikomiske, groteske historie, prøver fortælleren at indfange de danske drømme og se, hvad de førte til

Presents the story of Smilla Qaavigaaq Jaspersen, who investigates a Danish company's files to uncover the mystery behind her six-year-old neighbor's deadly fall.

These eight stories are linked by a date and a motif. All of them have to do with love. Love and its conditions on the night of March 19, 1929. In his second book and his only collection of stories, Peter Høeg proves himself to be a true storyteller in the tradition of Karen Blixen and Joseph Conrad. These beautifully constructed tales deal with love, the classic arts and sciences, and the confrontation of Western and non-Western cultures. Moving from a railroad car in the Congo to a sailboat in Lisbon's harbor to an upper-

class apartment in Copenhagen, they include the tales of a young, disillusioned mathematician who comes face-to-face with his culture's distortion of Africa; an esteemed judge who runs off with the young man he has just sentenced to prison for his homosexual tendencies; and a town--sealed off from the plague--that is infiltrated by a troupe of traveling actors.

The author of the acclaimed *Smilla's Sense of Snow* tells the story of a troubled youth in a Danish boarding school who discovers that he and his fellow inmates are part of a bizarre social experiment. Reprint. 10,000 first printing.

*The Woman and the Ape* is the story of a unique and unforgettable couple—Madelene and Erasmus. Madelene—a sleeping beauty drowsing gently in an alcoholic stupor—is the beautiful and disillusioned wife of Adam Burden, a distinguished behavior scientist. Erasmus—the unlikely prince—is a 300-pound ape. Erasmus is brought to the Burdens' London home after escaping from animal smugglers. In him Adam Burden believes he has discovered a hitherto unknown mammal, a highly intelligent anthropoid ape, the closest thing yet to a human being. If he is right, Erasmus will become the jewel of Burden's new zoo. But Madelene decides to save Erasmus, investing in her efforts all the single-mindedness she until now has reserved for drinking. The two fall in love—a love affair as emotionally and erotically charged as any female-male relationship could ever be. But Erasmus has come to England with a purpose, and eventually the couple must face the world they have sought to flee. A fable for our time, *The Woman and the Ape* poses searching questions about the nature of love, freedom, and humanity

## Peter Heg

From the author of *Smilla's Sense of Snow*, an epic novel about faith and the magic of everyday life. Told from the precocious perspective of fourteen-year-old Peter, *The Elephant Keepers' Children* is about three siblings and how they deal with their eccentric parents. Peter's father is a vicar, his mother is an artisan, and both are equally and profoundly devout. The family lives on the (fictional) island of Finø, where people of all religious faiths coexist peacefully. Yet nothing is at it seems. When Peter's parents suddenly go missing, Peter and his siblings fear the worst—has their parents' relentless quest to boost church attendance finally put them in danger? Told with poignancy and humor, *The Elephant Keepers' Children* is a fascinating exploration of fundamentalism versus spiritual freedom, the vicissitudes of romantic and familial love, and the triumph of the human spirit.

An anthology of eight stories that use love as their main theme visits unusual locales, such as a railroad car in the Congo, a sailboat in the harbor of Lisbon, and an apartment in Copenhagen. By the author of *Smilla's Sense of Snow*. 20,000 first printing.

THE INTERNATIONAL, NEW YORK TIMES AND SUNDAY TIMES BESTSELLER, WITH OVER A MILLION COPIES SOLD WORLDWIDE Guaranteed to bring warmth and comfort into your life, *The Little Book of Hygge* is the book we all need right now. Denmark has an international reputation for being one of the happiest nations in the world, and hygge is widely recognised to be the magic ingredient. Hooga? Hhyooguh? Heurgh?
