The Kind Diet: A Simple Guide to Feeling Great, Losing Weight and Saving the Planet is a vegan cookbook written by actress and animal rights activist Alicia Silverstone. [1] Silverstone told New York Times interviewer Patrick Healy that for three years she has turned down roles in films and television to have time to work on her book, as well as do plays.

~~The Kind Diet : A Simple Guide to Feeling Great, Losing ...~~

If you're trying to lose weight, the sheer number of available diet plans may make it difficult to get started, as you're unsure which one is most suitable, sustainable, and effective. Here ...

Addresses the nutritional concerns faced by many who are new to plant-based, vegetarian diets and shows how to cover every nutritional base, from protein to calcium and beyond. Features irresistibly delicious food that satisfies on every level --including amazing desserts to keep the most stubborn sweet tooth happy.

Whether you want to lose weight, get healthy, or help save the world, transitioning to a vegan diet is easy with advice, tips, and recipes from actress Alicia Silverstone. In The Kind Diet, actress, activist, and committed conservationist Alicia Silverstone shares the insights that encouraged her to swear off meat and dairy forever, and outlines the spectacular benefits of adopting a plant-based diet, from effortless weight loss to clear skin, off-the-chart energy, and smooth digestion. She explains how meat, fish, milk, and cheese—the very foods we've been taught to regard as the cornerstone of good nutrition—are actually the culprits behind escalating rates of disease and the cause of dire, potentially permanent damage to our ecology. Yet going meat- and dairy-free doesn't mean suffering deprivation; to the contrary, The Kind Diet introduces irresistibly delicious food that satisfies on every level—it even includes amazing desserts to keep the most stubborn sweet tooth happy. Alicia also addresses the nutritional concerns faced by many who are new to a plant-based diet, and shows how to cover every nutritional base, from protein to calcium and beyond. Whether your goal is to drop a few pounds, boost your energy and metabolism, or simply save the world, Alicia provides the encouragement, the information, and the tools you need to make the transition to a plant-based diet deliciously empowering.

In The Kind Diet, actress, activist, and committed conservationist Alicia Silverstone shares the insights that encouraged her to swear off meat and dairy forever, and outlines the spectacular benefits of adopting a plant-based diet, from effortless weight loss to clear skin, off-the-chart energy, and smooth digestion. She explains how meat, fish, milk, and cheese—the very foods we've been taught to regard as the cornerstone of good nutrition—are actually the culprits behind escalating rates of disease and the cause of dire, potentially permanent damage to our ecology. Yet going meat- and dairy-free doesn't mean suffering deprivation; to the contrary, The Kind Diet introduces irresistibly delicious food that satisfies on every level—it even includes amazing desserts to keep the most stubborn sweet tooth happy. Alicia also addresses the nutritional concerns faced by many who are new to a plant-based diet, and shows how to cover every nutritional base, from protein to calcium and beyond. Alicia knows that changing life-long dietary habits is a process, and that each person progresses at a different pace. For that reason, The Kind Diet encompasses 3 separate levels, from Flirting to Superhero. Flirts learn to dip a toe into the vegan pool, reducing their meat-eating and swapping out a few key foods for plant-based substitutes to see quickly how even small changes can reap big results. Vegans get to experience the life-altering effects of forgoing animal-products entirely, while still enjoying many convenience foods and meat substitutes in addition to the wonderful grains, vegetables and fruits that form the core of that diet. True enlightenment comes with the Superhero program, based on the principles of macrobiotics and built on a foundation of whole grains, vegetables, and other yummy foods that Alicia describes in detail. Whether your goal is to drop a few pounds, boost your energy and metabolism, or simply save the world, Alicia provides the encouragement, the information, and the tools you need to make the transition to a plant-based diet deliciously empowering.

When did making babies get to be so hard? Infertility is on the rise globally, affecting as many as one in six couples. But instead of considering diet and lifestyle factors, doctors pump their patients full of expensive and invasive fertility treatments. Once pregnant, women just accept that carrying a baby will be the gassy, swollen, irritable, sleepless nightmare that has become the new normal—and then assume that new motherhood will be just as challenging, from breastfeeding woes to screaming fits. It doesn't have to be that way. In The Kind Mama, Alicia Silverstone has created a comprehensive and practical guide empowering women to take charge of their fertility, pregnancy, and first 6 months with baby. Drawing on her own experience, as well as that of obstetricians, midwives, nutritionists, holistic health counselors, and others, Silverstone offers advice on getting one's "baby house" in order through nutrient-rocking foods that heal and nourish, and, once pregnant, gentle ways to boost comfort, energy, and health during each trimester. She helps readers navigate everything from prenatal testing and birth plans to successful breastfeeding and creating a supportive "baby nest." The result is an authoritative, one-stop guide that empowers women to trust their instincts during this vital milestone, while helping them embark on a healthy and more vibrant path to motherhood.

Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.

Explains the advantages of a plant-based diet for families with children and offers a collection of family-friendly vegan recipes for breakfast foods, soups, salads, sandwiches, snacks, main and side dishes, breads, and desserts.

Switching to a heart-healthy diet may not sound appealing at first, but there are many ways that you can substitute foods in your diet so you can stay healthy and still enjoy the foods that you eat. By substituting foods high in cholesterol and fat for healthier options, you can have a positive impact on your heart health. Before you pick up that next bacon cheeseburger, consider these quick and easy food substitutions that will be kind on your heart and your waistline. "Shred Diet Made Simple: Concise Guide to Ian K Smith's Six Week Cycle Diet Plan" by Betty Johnson, is a perfect start to living a healthy lifestyle by eating the right foods. The book looks on foods such as ground chicken and turkey. You can substitute ground chicken or ground turkey for recipes that call for ground beef, which will lower your calorie and fat intake for any meal. Turkey and chicken can actually enhance the flavor of some dishes by allowing you to taste

the actual seasoning instead of the grease that comes with ground beef. If you are at a restaurant, try ordering a turkey burger or grilled chicken sandwich instead of a hamburger.

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL's 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—who continues to play at an elite level into his forties—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

Lose up to 50 pounds in 12 weeks with a doctor's proven plan for losing weight—quickly, easily, and permanently. No counting, no measuring, no hassle. If you have tried to lose weight and failed, or lost weight and failed to keep it off, you're not alone. Two out of three Americans are overweight, many with between thirty and one hundred pounds to lose. Now Dr. James W. Anderson, a professor of medicine and clinical nutrition at the University of Kentucky, shares his groundbreaking, scientifically based nutritional plan that has already helped thousands of Americans lose weight—sometimes more than one hundred pounds—and keep it off permanently. It can also help you: Lower cholesterol, high blood pressure, and high blood sugar. Reverse type 2 diabetes, heart disease, and other obesity-related health conditions. Decrease your risk for type 2 diabetes and its related consequences. Eliminate the need for dangerous (and expensive) gastric bypass surgery. Help you feel better about yourself and enjoy your life! Best of all, you can use prepared foods that are easy to find in the supermarket. There's no calorie counting. No measuring. No guesswork. And if you stick with this easy-to-follow plan—as thousands of people already have—there's a nearly foolproof guarantee of success. Lifelong success. Many people have changed their eating habits and improved their health by using this program. Now it's your turn.

Jennifer Grant is the only child of Cary Grant, who was, and continues to be, the epitome of all that is elegant, sophisticated, and deft. Almost half a century after Cary Grant’s retirement from the screen, he remains the quintessential romantic comic movie star. He stopped making movies when his daughter was born so that he could be with her and raise her, which is just what he did. Good Stuff is an enchanting portrait of the profound and loving relationship between a daughter and her father, who just happens to be one of America’s most iconic male movie stars. Cary Grant’s own personal childhood archives were burned in World War I, and he took painstaking care to ensure that his daughter would have an accurate record of her early life. In Good Stuff, Jennifer Grant writes of their life together through her high school and college years until Grant’s death at the age of eighty-two. Cary Grant had a happy way of living, and he gave that to his daughter. He invented the phrase “good stuff” to mean happiness. For the last twenty years of his life, his daughter experienced the full vital passion of her father’s heart, and she now—delightfully—gives us a taste of it. She writes of the lessons he taught her; of the love he showed her; of his childhood as well as her own . . . Here are letters, notes, and funny cards written from father to daughter and those written from her to him . . . as well as bits of conversation between them (Cary Grant kept a tape recorder going for most of their time together). She writes of their life at 9966 Beverly Grove Drive, living in a farmhouse in the midst of Beverly Hills, playing, laughing, dining, and dancing through the thick and thin of Jennifer's growing up; the years of his work, his travels, his friendships with “old Hollywood royalty” (the Sinatras, the Pecks, the Poitiers, et al.) and with just plain-old royalty (the Rainiers) . . . We see Grant the playful dad; Grant the clown, sharing his gifts of laughter through his warm spirit; Grant teaching his daughter about life, about love, about boys, about manners and money, about acting and living. Cary Grant was given the indefinable incandescence of charm. He was a pip . . . Good Stuff captures his special quality. It gives us the magic of a father’s devotion (and goofball-ness) as it reveals a daughter’s special odyssey and education of loving, and being loved, by a dad who was Cary Grant.
