close to losing their lives on the sea as they escaped from war-torn Vietnam in an overcrowded boat. But nothing - not murderous pirates, nor the imminent threat of death by hunger, disease or dehydration as they drifted for days - could quench their desire to make a better life in the country they had dreamed about. Life in Australia was hard, an endless succession of back-breaking work, crowded rooms, ruthless landlords and make-do everything. But there was a loving extended family, and always friends and play and something to laugh about for Anh, his brother Khoa and their sister Tram. Things got harder when their father left home when Anh was only nine - they felt his loss very deeply and their mother struggled to support the family on her own. His mother's sacrifice was an inspiration to Anh and he worked hard during his teenage years to help her make ends meet, also managing to graduate high school and then university. Another inspiration was the comedian Anh met when he was about to sign on for a 60-hour a week corporate job. Anh asked how many hours he worked. 'Four,' the answer came back, and that was it. He was going to be a comedian! The Happiest Refugee tells the incredible, uplifting and inspiring life story of one of our favourite personalities. Tragedy, humour, heartache and unswerving determination - a big life with big dreams. Anh's story will move and amuse all who read it

unfamiliar with the horrors of his country's regime. He is one of the smartest boys in school, and feels safe and loved in the home he shares with his mother and little sister, right next door to his best friend. But the day that soldiers arrive at his door, Shif knows that he will never be safe again--his only choice is to run. Facing both unthinkable cruelty and boundless kindness, Shif bravely makes his way towards a future he can barely imagine. Based on real experiences and written in spare, powerful prose, this gripping debut illustrates the realities faced by countless young refugees across the world today. Refugee 87 is a story of friendship, kindness, hardship, survival, and -- above all -- hope.

A Finalist for the 2019 Kirkus Prize in Nonfiction "Nayeri combines her own experience with those of refugees she meets as an adult, telling their stories with tenderness and reverence." [The New York Times Book Review "Nayeri weaves her empowering personal story with those of the [feared swarms] . . . Her family's escape from Isfahan to Oklahoma, which involved waiting in Dubai and Italy, is wildly fascinating . . . Using energetic prose, Nayeri is an excellent conduit for these heart[rending] stories, eschewing judgment and employing care in threading the stories in with her own . . . This is a memoir laced with stimulus and plenty of heart at a time when the latter has grown elusive." [Star[Tribune (Minneapolis) Aged eight, Dina Nayeri fled Iran along with her mother and brother and lived in the crumbling shell of an Italian hotel[turned]refugee camp. Eventually she was granted asylum in America. She settled in Oklahoma, then made her way to Princeton University. In this book, Nayeri weaves together her own vivid story with the stories of other refugees and asylum seekers in recent years, bringing us inside their daily lives and taking us through the different stages of their journeys, from escape to asylum to resettlement. In these pages, a couple fall in love over the phone, and women gather to prepare the noodles that remind them of home. A closeted queer man tries to make his case truthfully as he seeks asylum, and a translator attempts to help new arrivals present their stories to officials. Nayeri confronts notions like [the swarm,] and, on the other hand, [good] immigrants. She calls attention to the harmful way in which Western governments privilege certain dangers over others. With surprising and provocative questions, The Ungrateful Refugee challenges us to rethink how we talk about the refugee crisis.
