The Princess and the Queen, or, the Blacks and the Greens is a novella by George R. R. Martin, published in the 2013 Tor Books anthology *Dangerous Women*. Set in the Westeros of Martin's *A Song of Ice and Fire* series, 200 years before the events of *A Game of Thrones*, it chronicles the "continent-burning warfare" that explodes between Targaryen Princess Rhaenyra and her stepmother, Queen Alicent. The work is presented as the writing of the fictional Archmaester Gyldayn, also the "author" of Martin

All new and original to this volume, the 21 stories in *Dangerous Women* include work by twelve New York Times bestsellers, and seven stories set in the authors' bestselling continuities--including a new "Outlander" story by Diana Gabaldon, a tale of Harry Dresden's world by Jim Butcher, a story from Lev Grossman set in the world of *The Magicians*, and a 35,000-word novella by George R. R. Martin about the Dance of the Dragons, the vast civil war that tore Westeros apart nearly two centuries before the events of *A Game of Thrones*. Also included are original stories of dangerous women--heroines and villains alike--by Brandon Sanderson, Joe Abercrombie, Sherrilyn Kenyon, Lawrence Block, Carrie Vaughn, S. M. Stirling, Sharon Kay Penman, and many others. Writes Gardner Dozois in his Introduction, "Here you'll find no hapless victims who stand by whimpering in dread while the male hero fights the monster or clashes swords with the villain, and if you want to tie these women to the railroad tracks, you'll find you have a real fight on your hands. Instead, you will find sword-wielding women warriors, intrepid women fighter pilots and far-ranging spacewomen, deadly female serial killers, formidable female superheroes, sly and seductive femmes fatale, female wizards, hard-living Bad Girls, female bandits and rebels, embattled survivors in Post-Apocalyptic futures, female Private Investigators, stern female hanging judges, haughty queens who rule nations and whose jealousies and ambitions send thousands to grisly deaths, daring dragonriders, and many more." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In November 2017 the Queen and the Duke of Edinburgh celebrated their 70th wedding anniversary. As a 13-year-old Princess, she fell in love with Prince Philip of Greece, an ambitious naval cadet, and they married when she was 21; when she suddenly became Queen at 25, their lives changed forever. Philip has been her great support, but fortunately she also had a solid foundation that helped prepare her for a life dedicated to duty. With previously unpublished material and unique memories from friends and relatives who have known her since childhood, this book looks afresh and in richer depth at her life as Princess, glittering yet isolating. Vivid detail and anecdotes reveal more about her, the era in which she grew up and the people who shaped her life. The archives of royal confidante Lady Desborough and Private Secretary Sir Alec Hardinge reveal unseen letters from the Princess and the royal family, giving intimate insights into their lives and minds. Here is her sadness at the death of her nanny, Alah; her joy in her children; her melancholy as a young wife when Philip returns to his ship; the sensitivities of her father. Here too is the Princess with the aristocratic Bowes Lyons, her mother's family, who featured significantly in her life, yet rarely appear in books. The author sheds new light on anomalies surrounding the birth of her mother who, it has been asserted, was the daughter of the family's cook. The strain of wartime on the royal family is highlighted in new material contrasting the stance of the Princess's uncles, the Duke of Windsor and David Bowes Lyon. In contrast with her upbringing, Philip's early life was turbulent, although their lives shared some interesting parallels. Lady Butter, a relation of Philip and friend of the Princess, recalls time spent with each of them; and unpublished documents show how intelligence agencies considered the socialist influence of the Mountbattens on

Philip and thus on the royal court. More importantly, Princess traces how an “ordinary country girl” suddenly found herself in the line of succession to the crown at age ten when her Uncle, the Duke of Windsor, abdicated the throne to his brother Albert (“Bertie” to family and friends), the once and future King George VI. Breaking new ground for a future English monarch, she became the first female member of the royal family to serve on active duty during World War II, and broke tradition by sending her children away to school rather having them privately tutored. Indeed, by the time of her coronation in 1953, she had already achieved a “broad and solid background from which she could draw during the rapidly changing times of her long reign. Out of a little princess they made a Queen.”

Elizabeth II, at the age of 91, is the longest-reigning monarch ever to sit on the throne of England. Most people living today have no memory of a time when she was not Queen. But when she was born, no one knew she was destined to rule. Her father, the Duke of York, was only the second son of George V. His dashing playboy brother was Prince of Wales and heir to the throne. It wasn't until King Edward VIII abdicated his throne to marry Wallis Simpson in 1936 that the Princess Elizabeth, then ten years old, knew the course that her life was to take. From the unlikely romance that united her parents, to the abdication that nearly toppled the monarchy, this biography will introduce you to the Princess who came before the Queen. Set apart from other children and sheltered by her parents, her steadiness of character nonetheless enabled her to help fight the Nazis in World War II and overcome steep obstacles in order to marry the man she loved. These were the years that forged the character of the woman whose 65-year reign has seen her country through the second half of the 20th century

Read Online The Princess And Queen Or Blacks Greens Ebook George Rr Martin

and beyond.

Perfect for fans of *The Crown*, this captivating biography from a New York Times bestselling author follows Queen Elizabeth II and her sister Margaret as they navigate life in the royal spotlight. They were the closest of sisters and the best of friends. But when, in a quixotic twist of fate, their uncle Edward VIII decided to abdicate the throne, the dynamic between Elizabeth and Margaret was dramatically altered. Forever more Margaret would have to curtsy to the sister she called 'Lilibet.' And bow to her wishes. Elizabeth would always look upon her younger sister's antics with a kind of stoical amusement, but Margaret's struggle to find a place and position inside the royal system—and her fraught relationship with its expectations—was often a source of tension. Famously, the Queen had to inform Margaret that the Church and government would not countenance her marrying a divorcee, Group Captain Peter Townsend, forcing Margaret to choose between keeping her title and royal allowances or her divorcee lover. From the idyll of their cloistered early life, through their hidden war-time lives, into the divergent paths they took following their father's death and Elizabeth's ascension to the throne, this book explores their relationship over the years. Andrew Morton's latest biography offers unique insight into these two drastically different sisters—one resigned to duty and responsibility, the other resistant to it—and the lasting impact they have had on the Crown, the royal family, and the ways it adapted to the changing mores of the 20th century.

Published to accompany a BBC1 television series in celebration of The Queen's 70th birthday, this book offers an account of her public and private life from childhood to coronation. It begins

with her attendance at her father's coronation at the age of 11, looks briefly at the Royal Family from Victoria until Elizabeth's birth, and then takes readers through Elizabeth's childhood and adolescence, to her own coronation in 1953. Containing archive stills as well as contemporary accounts from letters and diaries, the book offers insights into aspects of The Queen's private life such as her courtship and marriage to Prince Philip.

"In this sweeping, immersive novel, Clare McHugh draws readers into the mesmerizing world of the eldest daughter of Queen Victoria – Princess Vicky – as she emerges into a powerful force in her own right and ascends to become the first German Empress." —Marie Benedict, New York Times bestselling author of *The Only Woman in the Room* Perfect for fans of the BBC's *Victoria*, Alison Pataki's *The Accidental Empress*, and Daisy Goodwin's *Victoria*, this debut novel tells the gripping and tragic story of Queen Victoria's eldest daughter, Victoria, Princess Royal. To the world, she was Princess Victoria, daughter of a queen, wife of an emperor, and mother of Kaiser Wilhelm. Her family just called her Vicky...smart, pretty, and self-assured, she changed the course of the world. January 1858: Princess Victoria glides down the aisle of St James Chapel to the waiting arms of her beloved, Fritz, Prince Frederick, heir to the powerful kingdom of Prussia. Although theirs is no mere political match, Vicky is determined that she and Fritz will lead by example, just as her parents Victoria and Albert had done, and also bring about a liberal and united Germany. Brought up to believe in the rightness of her cause, Vicky nonetheless struggles to thrive in the constrained Prussian court, where each day she seems to take a wrong step. And her status as the eldest daughter of Queen Victoria does little to smooth over the conflicts she faces. But handsome, gallant Fritz is always

by her side, as they navigate court intrigue, and challenge the cunning Chancellor Otto von Bismarck, while fighting for the throne—and the soul of a nation. At home they endure tragedy, including their son, Wilhelm, rejecting all they stand for. Clare McHugh tells the enthralling and riveting story of Victoria, the Princess Royal—from her younger years as the apple of her father Albert's eyes through her rise to power atop the mighty German empire to her final months of life.

A collection of seven short stories celebrates dangerous women, both heroines and villains, and includes contributions by George R.R. Martin, Carrie Vaughn, and Lawrence Block.

The hatred of killing his father, the hatred of seizing the throne. How could Chu Nian He have known that his husband, who was grappling with his temples, would use her in every possible way! When he woke up again, he was actually fifteen years old? Protect her family, subdue her treacherous cousin, and step by step she tramples on all the people who used to bully her. As a female official who controlled the imperial government, she swore to never have feelings for anyone ever again! He was a victorious general who had taken down half of the mountain, but he was touched by her cold and resolute expression. He did not care why she was so cold. He only wanted to love and protect her for the rest of his life, marry her as a wife, and protect her until she was old!

An evocative historical novel chronicles the life of Henry VIII's first wife, Katharine of Aragon, from her early days in England after being sent from Spain to marry Henry's sickly older

brother, through her subsequent marriage to Henry, to the divorce that ignited a storm of controversy that changed history. Reprint. 30,000 first printing.

When Jenny suddenly wakes to find herself being kissed by a strange--but very handsome--prince, she knows that her boring life of folding laundry could be gone forever. Stuck in a medieval land of castles and royalty, Jenny learns that she is being forced to marry the prince, and she is definitely okay with that. She escapes to find out how to return home while trying to keep from falling love with either of the boys vying for her attention. Princess Genevieve has only known life under her mother's rule. She wants to do more than go to battle or deal with suitors. She wakes to find herself in a new world filled with gadgets, electricity, and moving carriages. She finally has the freedom to be who she wants to be with the family who cares deeply for her and a boy worth any sacrifice. It's more than everything she always wanted. As Jenny and Genevieve settle into their new lives, they face an unknown evil which threatens everything they care about and makes them face tough questions--like who they are, and what they really want their lives to become.
