Purposefully imitating Voltaire's classic Candide, another dark comedy which derives its humour from life's tragedies, Habiby's The Secret of Saeed the Pessoptimist is a classic of Arab literature. The story of Saeed, a Palestinian who becomes a citizen of Israel, is a story of fact and fantasy, tragedy and comedy. At once a comic hero and luckless fool, his life is full of terror, aggression, resistance and heroism. As an informer for the Zionist state, Saeed's stupidity, candour and cowardice make him more the victim than a villain; but in a series of tragicomic episodes, blundering from disaster to disaster, he is slowly transformed from gullible collaborator into a Palestinian intent on survival. The novel, informed by the author's own experience in Israeli politics, is both biting and funny.

FINALIST FOR THE BOOKER PRIZE 10 BEST BOOKS OF 2017, NEW YORK TIMES BOOK REVIEW WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "A breathtaking novel...[that] arrives at an urgent time." –NPR "It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." –Ayelet Waldman, The New York Times Book Review "Moving, audacious, and indelibly human." –Entertainment Weekly, "A" rating A New York Times bestseller, the astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . Exit West follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

In Pakistan, Amal holds onto her dream of being a teacher even after becoming an indentured servant to pay off her family's debt to the wealthy and corrupt Khan family.

One moonless night in the summer of 1983, on a boulder off the shore of what once was Al-Zeeb, a Palestinian village north of Acre, the narrator of Emile Habiby's haunting last novel catches a glimpse of a mysterious female figure in the sea. "The episode," he says, "was a kind of key, like the ancient Egyptian key of life...or a magic instrument, like Aladdin's lamp. I took it up as I began to excavate the mountains of oblivion, trying, as best I could, to penetrate the caverns of memory." In the remarkable tale that follows, Habiby's alter-ego - novelist, politician, devoted fisherman - struggles to discover just who or what this apparition was. Saraya, as she is known, is a character in a Palestinian legend about a young girl captured and imprisoned by an ogre. But in Habiby's subtle, dark, and often wryly comic telling, she takes on a fluid host of roles, sometimes shifting in the course of a single page from the flesh-and-blood beloved of the hero's childhood to a whispery symbol of the wadis and ridges around Mount Carmel to a kind of laughing muse. "Who is Saraya and who is the ogre?" he asks himself, early on. Equal parts allegory, folk tale, memoir, political commentary, and ode to a ruined landscape, the book works as an extended attempt to discover the girl's true identity and, in doing so, to reconcile the writer (and his fictional counterpart) with the painful past of his land and his people.

This stunning original novel will tell an all-new story set in the world of the new film, featuring Aladdin and Jasmine. A magic carpet ride full of adventure, suspense, and wonder written by New York Times Bestselling author Aisha Saeed, this story will be a must-read for any Aladdin fans who find themselves drawn into and enchanted by the magical world of Agrabah and beyond.
