Nathan Filer's Debut Novel The Shock of The Fall is haunting and very real insight to death and mental illness. I was recommended this novel and was assured it was a good audio book as I struggle with audio as opposed to reading and I have to say the narrator is excellent and he totally draws you into the character of Matthew to such an extent that you feel it is actually Matthew narrating the story.

That perfect letter. The wishbone, fork in the road, empty wineglass. The question we ask over and over. Why?...My life begins at the Y. ” So opens Marjorie Celona ’ s highly acclaimed, exquisite debut about a wise-beyond-her-years foster child abandoned as a newborn on the doorstep of the local YMCA. Bounced between foster homes, Shannon endures abuse and neglect until she finally finds stability with Miranda, a kind but no-

nonsense single mother. Yet Shannon defines life on her own terms, refusing to settle down and continually longing to uncover her roots—especially the stubborn question of why her mother would abandon her on the day she was born. Brilliantly and hauntingly interwoven with Shannon ' s story is the tale of her mother, Yula, a girl herself, who is facing a desperate fate in the hours and days leading up to Shannon ' s birth. As past and present converge, Y tells an unforgettable story of identity, inheritance, and, ultimately, forgiveness. Celona ' s ravishingly beautiful novel, where “ questions are not so much answered as extended ” (The New York Times), offers a deeply affecting look at the choices we make and what it means to be a family.

Shunned by his siblings and rejected by his homophobic best friend, Colin immerses himself in the notebooks his father left behind. Full of strange facts, lists, and historical anecdotes that neither Colin nor Diane can understand, the notebooks infect their worldview until they can no longer tell what 's real and what 's imagined. A novel of aching intensity, *Some Hell* shows how unspeakable tragedy shapes a life, and how imagination saves us from ourselves.
