The Stingray Shuffle - Wikipedia
There are fifteen books in Tim Dorsey's Serge Storms series - The Stingray Shuffle is the fifth book published, but the end of this book seems to precede the third book in the series, Orange Crush. This really doesn't lessen the entertainment factor, but a Virgo (like me) will finish the series, then go back to read them again in Serge's chronology.

Serge A. Storms is the main fictional character in most of Tim Dorsey's novels (and appears in all of them to date). His name is a pun on storm surge . Most often described as “intense” in personality, he is a vagrant with a voracious intellect and an encyclopedic knowledge of Florida history , but prone to periods of “focus” that lead him to commit brutal - and often elaborately planned and staged - acts of violence.

When serial-killing local Florida historian Serge A. Storms is off his meds, no one is safe -- not Russian hoods, Jamaican mobsters, spoiled frat boys, women's book clubs, drug dealers, bad Vegas-rejected local lounge acts -- especially when \$5 million in cash in a bugged suitcase is still racing up and down the Eastern Seaboard. But in the oddball circus known as the Sunshine State, little things like astronomical body counts tend to get lost in the shuffle.

And busting out of Chattahoochee State Hospital ... without his meds! The thrill-killing Floridaphile needs to get to the bottom of his bookie grandad's bizarre 1964 death -- not to mention launch "Serge & Lenny's Florida Experience," the new Miami specialty tour venture he's cooked up with his best brain-dead druggie-buddy. It's all good. For Serge A. Storms, anyway. Not so much for anyone else.

Sunshine State trivia buff Serge A. Storms loves eliminating jerks and pests. His drug-addled partner Coleman loves cartoons. Hot stripper Sharon Rhodes loves cocaine, especially when purchased with rich dead men's money. On the other hand, there's Sean and David, who love fishing and are kind to animals -- and who are about to cross paths with a suitcase filled with \$5 million in stolen insurance money. Serge wants the suitcase. Sharon wants the suitcase. Coleman wants more drugs . . . and the suitcase. In the meantime, there's murder by gun, Space Shuttle, Barbie doll, and Levi's 501s. In other words, welcome to Tim Dorsey's Florida -- where nobody gets out unscathed and untanned!

Now, with extra wackiness, bonus mayhem, and a surprise at the end . . . available for a limited time, this low-priced ebook edition of Tim Dorsey's quintessential Serge Storms story Triggerfish Twist includes a note from Serge himself, an original cocktail recipe, and a sneak peek excerpt into Tim's next novel, Electric Barracuda (on sale January 25, 2011).

There's a different schemer or slimeball behind every door: cocaine duckpicks who have survived only by the dumbest fortune, hard-luck gigolos desperate to score, undercover cops busting undercover cops who are running sting operations on undercover cops. And just down the row, local historian and spree killer Serge A. Storms -- who has stopped keeping up with his meds -- is still looking for a briefcase stuffed with five million dollars...and is now capable of wreaking more havoc than hurricane Rolando-berto, the big wind gathering force offshore, just waiting for the opportunity to blow everything straight to hell. Pack up your bags and head south to sunny Florida. Leave your rational mind at home and come well armed. There's a room with your number on it at the Hammerhead Ranch Motel.

Serge A. Storms returns! The world's most lovable serial killer is back, bringing together an Oscar-worthy cast of Sunshine State nut jobs with his insatiable passion for All Things Florida. During this latest cavalcade of nonstop felonies—from Tampa to Fort Lauderdale to Orlando—Serge finds time to resurrect his obsession with movies, particularly those showcasing his beloved home state. And he wants answers! Why aren't more films shot here? How come the ones that are stink so bad? And what's up with filming "Florida" scenes in California? Then there's the cryptic message from his grandfather, Sergio, telling him to go to Los Angeles to uncover a mysterious secret from the distant past. It's too much of a coincidence. It's fate. Naturally, Serge, accompanied by his substance-sustained sidekick, Coleman, must immediately hop a transcontinental flight to straighten out Hollywood once and for all. But, of course, being Serge, his mission is sidetracked by perpetual detours to irresistible celluloid landmarks . . . and intrigue. Meanwhile, in Burbank, production of what may become the most expensive flop in Tinseltown history is interrupted by the brazen abduction of the female lead. Meanwhile, a couple of midwestern dreamers head west for their shot at fame—and find it at the center of a celebrity murder investigation. And even more meanwhile, infamous studio heads Ian and Mel Glick continue to produce juggernaut high-grossing dreck, casting-couch perversion, and cocaine hijinks. But there's more. Much more. How is the Japanese mafia involved? The Alabama mafia? Is the castrating cult throwing a membership party? Will Coleman survive his binge at the Belushi hotel? Who can defuse the nuclear bomb? It all comes crashing together in a breathtaking climactic sequence that prompts an enthusiastic Serge to proclaim: "Two thumbs way, way up!" So come on in and grab a seat. The show's about to start. . . .

"Dorsey differs from writers such as Carl Hiasen, James Hall, and Elmore Leonard...These guys fire bullets. Dorsey makes sure his gun is filled with hollow-point." —Sarasota Herald Tribune

He's back in Electric Barracuda—the latest outrageous romp through the Sunshine State by Tim Dorsey, master of the zany crime thriller. This time Serge is a fugitive running from the police, and murder and mayhem have never been more over-the-top hilarious. Tim Dorsey's Electric Barracuda is not to be missed. The Miami Herald put it best: "Nobody, but nobody, writes like this guy."

The Republicans' "golden boy" -- and a loyal, unquestioning tool of the powerful special interests -- handsome, unthreatening, Florida governor-by-default Marlon Conrad seems a virtual shoo-in for re-election. That is, until he undergoes a radical personality shift during a bloody military action in the Balkans. Now it's just three weeks before the election and Marlon is suddenly talking about "issues" and "reform" as he crosses the length and breadth of his home state with an amnesiac speechwriter and a chief of staff who turns catatonic in the presence of minorities. The governor's new-found conscience might well cost him the election, though. And it appears that pretty much everybody from Tallahassee to Miami Beach is trying to kill him....
