Do you believe in fate? Do you believe in passion? What happens when fate and passion collide? Do you believe in love? What happens when fate, passion, and love combine? This. This... #1 New York Times bestselling author Stephanie Laurens returns to Scotland with a tale of two lovers irrevocably linked by destiny and passion. Thomas Carrick is a gentleman driven to control all aspects of his life. As the wealthy owner of Carrick Enterprises, located in bustling Glasgow, he is one of that city's most eligible bachelors and fully intends to select an appropriate wife from the many young ladies paraded before him. He wants to take that necessary next step along his self-determined path, yet no young lady captures his eye, much less his attention...not in the way Lucilla Cynster had, and still did, even though she lives miles away. For over two years, Thomas has avoided his clan's estate because it borders Lucilla's home, but disturbing reports from his clansmen force him to return to the countryside—only to discover that his uncle, the laird, is ailing, a clan family is desperately ill, and the clan-healer is unconscious and dying. Duty to the clan leaves Thomas no choice but to seek help from the last woman he wants to face. Strong-willed and passionate, Lucilla has been waiting—increasingly impatiently—for Thomas to return and claim his rightful place by her side. She knows he is hers—her fated lover, husband, protector, and mate. He is the only man for her, just as she is his one true love. And, at last, he's back. Even though his returning wasn't on her account, Lucilla is willing to seize whatever chance Fate hands her. Thomas can never forget Lucilla, much less the connection that seethes

between them, but to marry her would mean embracing a life he's adamant he does not want. Lucilla sees that Thomas has yet to accept the inevitability of their union and, despite all, he can refuse her and walk away. But how can he ignore a bond such as theirs—one so much stronger than reason? Despite several unnerving attacks mounted against them, despite the uncertainty racking his clan, Lucilla remains as determined as only a Cynster can be to fight for the future she knows can be theirs—and while she cannot command him, she has powerful enticements she's willing to wield in the cause of tempting Thomas Carrick. A neo-Gothic tale of passionate romance laced with mystery, set in the uplands of southwestern Scotland. A Cynster Second Generation Novel – a classic historical romance of 122,000 words. Praise for the works of Stephanie Laurens “Stephanie Laurens’ heroines are marvelous tributes to Georgette Heyer: feisty and strong.” Cathy Kelly “Stephanie Laurens never fails to entertain and charm her readers with vibrant plots, snappy dialogue, and unforgettable characters.” Historical Romance Reviews “Stephanie Laurens plays into readers’ fantasies like a master and claims their hearts time and again.” Romantic Times Magazine

Duty compels her to turn her back on marriage. Fate drives him to protect her come what may. Then love takes a hand in this battle of yearning hearts, stubborn wills, and a match too powerful to deny. #1 New York Times bestselling author Stephanie Laurens returns to rugged Scotland with a dramatic tale of passionate desire and unwavering devotion. Restless and impatient, Marcus Cynster waits for Fate to come calling. He knows his destiny lies in the lands surrounding his family home, but what will his future be? Equally importantly, with whom will he share it? Of one fact he feels certain: his fated bride will not be Niniver Carrick. His elusive neighbor attracts him mightily, yet he feels compelled to protect her—even from himself. Fickle Fate, he's sure, would never be so kind as to decree that Niniver should be his. The best he can do for them both is to avoid her. Niniver has vowed to return her clan to prosperity. The epitome of fragile femininity, her delicate and ethereal exterior cloaks a stubborn will and an unflinching devotion to the people in her care. She accepts that in order to achieve her goal, she cannot risk marrying and losing control of the clan's reins to an inevitably controlling husband. Unfortunately, too many local men see her as their opportunity. Soon, she's forced to seek help to get rid of her unwelcome suitors. Powerful and dangerous, Marcus Cynster is perfect for the task. Suppressing her wariness over tangling with a gentleman who so excites her passions, she appeals to him for assistance with her peculiar problem. Although at first he resists, Marcus discovers that, contrary to his expectations, his fated role is to stand by Niniver's side and, ultimately, to claim her hand. Yet in order to convince her to be his bride, they must plunge headlong into a journey full of challenges, unforeseen dangers, passion, and yearning, until Niniver grasps the essential truth—that she is indeed a match for Marcus Cynster. #1 New York Times bestselling author Stephanie Laurens returns to the Cynsters' next generation to bring you a thrilling tale of love, intrigue, and fabulous horses. A notorious rakehell with a stable of fabulous Thoroughbreds and a lady on a quest to locate such horses must negotiate personal minefields to forge a greatly desired alliance—one someone is prepared to murder to prevent. Prudence Cynster has turned her back on husband hunting in favor of horse hunting. As the head of the breeding program underpinning the success of the Cynster racing stables, she's on a quest to acquire the necessary horses to refresh the stable's breeding stock. On his estranged father's death, Deaglan Fitzgerald, now Earl of Glengarah, left London and the hedonistic life of a wealthy, wellborn rake and returned to Glengarah Castle determined to rectify the harm caused by his father's neglect. Driven by guilt that he hadn't been there to protect his people during the Great Famine, Deaglan holds against the lure of his father's extensive collection of horses and, leaving the stable to the care of his brother, Felix, devotes himself to returning the estate to prosperity. Deaglan had fallen out with his father and been exiled from Glengarah over his drive to have the horses pay their way. Knowing Deaglan's wishes and that restoration of the estate is almost complete, Felix writes to the premier Thoroughbred breeding program in the British Isles to test their interest in the Glengarah horses. On receiving a letter describing exactly the type of horses she's seeking, Pru overrides her family's reluctance and sets out for Ireland's west coast to visit the now-reclusive wicked Earl of Glengarah. Yet her only interest is in his horses, which she cannot wait to see. When Felix tells Deaglan that a P. H. Cynster is about to arrive to assess the horses with a view to a breeding arrangement, Deaglan can only be grateful. But then P. H. Cynster turns out to be a lady, one utterly unlike any other he's ever met. Yet they are who they are, and both understand their world. They battle their instincts and attempt to keep their interactions businesslike, but the sparks are incandescent and inevitably ignite a sexual blaze that consumes them both—and opens their eyes. But before they can find their way to their now-desired goal, first one accident, then another distracts them. Someone, it seems, doesn't want them to strike a deal. Who? Why? They need to find out before whoever it is resorts to the ultimate sanction. A historical romance with neo-Gothic overtones, set in the west of Ireland. #1 New York Times bestselling author Stephanie Laurens returns to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since—for what seemed excellent reasons at the time—is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself. Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn't love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their marriage the very best it could be. Now, five years later, they are an established couple within the haut ton, have three young children, and Devlin is making a name for himself in business and political circles. There's only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love, Devlin is no longer content with the half love-match he himself engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese's married cousins enjoy—the rich and myriad benefits of marriages based on acknowledged mutual love. Love, he's discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything—especially the mutual trust—they've built over the past five years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel—a full-length historical romance of 110,000 words. Praise for *The Games Lovers Play* "A high-society Regency-era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop. Unwaveringly eloquent, *Games Lovers Play* is as much a snapshot of a maturing marriage as it is an impassioned, provocative romance." Libybet R. G., Proofreader, Red Adept Editing "It isn't fashionable for members of high society in mid-nineteenth-century London to be in love with their spouses, but Lord Devlin Cader, seventh Earl of Alverton, is. After several years of marriage, has he waited so long that she won't accept a declaration even if he makes it?" Kim H., Proofreader, Red Adept Editing "In the power couple of Devlin and Therese, Laurens has conjured a love story that is every bit as enthralling as those of her unmarried lords and ladies." Angela M., Copy Editor, Red Adept Editing

#1 New York Times bestselling author Stephanie Laurens returns to the world of the Cynsters' next generation with the tale of an unconventional nobleman and an equally unconventional noblewoman learning to love and trust again. A jilted noblewoman forced into a dual existence half in and half out of the ton is unexpectedly confronted by the nobleman who left her behind ten years ago, but before either can catch their breaths, they trip over a murder and into a race to capture a killer. Lord Grayson Child is horrified to discover that *The London Crier*, a popular gossip rag, is proposing to expose his extraordinary wealth to the ton's matchmakers, not to mention London's shysters and Captain Sharps. He hies to London and corners *The Crier's* proprietor—only to discover the paper's owner is the last person he'd expected to see. Izzy—Lady Isadora Descartes—is flabbergasted when Gray appears in her printing works' office. He's the very last person she wants to meet while in her role as owner of *The Crier*, but there he is, as large as life, and she has to deal with him without giving herself away! She manages—just—and seizes on the late hour to put him off so she can work out what to do. But before leaving the printing works, she and he stumble across a murder, and all hell breaks loose. Izzy can only be grateful for Gray's support as, to free them both of suspicion, they embark on a joint campaign to find the killer. Yet working side by side opens their eyes to who they each are now—both quite different to the youthful would-be lovers of ten years before. Mutual respect, affection, and appreciation grow, and amid the chaos of hunting a ruthless killer, they find themselves facing the question of whether what they'd deemed wrecked ten years before can be resurrected. Then the killer's motive proves to be a treasonous plot, and with others, Gray and Izzy race to prevent a catastrophe, a task that ultimately falls to them alone in a situation in which the only way out is through selfless togetherness—only by relying on each other will they survive. A classic historical romance laced with crime and intrigue. A Cynster Next Generation-connected novel—a full-length historical romance of 115,000 words Praise for *The Secrets of Lord Grayson Child* "This full-bodied novel should please all long-time fans of novels about romance and intrigue set in nineteenth-century England." Virge B., Proofreader, Red Adept Editing "Two old lovers embark on an investigation that is brimming with danger and intrigue. Their simmering, suspenseful tale is one that fans of Regency romance dare not miss." Angela M., Copy Editor, Red Adept Editing "After ten years apart, former lovers Lord Grayson Child and Lady Isadora Descartes work together to solve a high-stakes mystery (and) secrets from their past. Is it wise to rekindle their romance, or will the search for love be their undoing? The attention to detail in both setting and characters brings the story to life. Fans of Regency romance are sure to enjoy uncovering *The Secrets of Lord Grayson Child*." Brittany M., Proofreader, Red Adept Editing
