The Violet and the Tom. Prelude: My first taste of what it meant to be the slave of royalty came at his feet. The smooth pungency of a well-aged cheese placed carelessly between my lips, the fragrant sugar of a ripe summer peach, with the salt from the cheese—or was that simply his skin?—still lingering on his fingertips.

Tom spies on the seduction when it takes place, and is surprised to hear Melissa's dissatisfaction with him isn't as divorce-bound as it had seemed. I'm not really clear why Melissa's position softens, or why the couple so readily improve towards each other once Tom admits really wanting to watch her.

This omnibus is a collection of stories tied together by the main character Violet. She begins life as a computer program named Eve. Once she is sentient, she becomes a 'person' with a body, and all of the emotions and problems of a human. In the first story Violet is humanized when the author has her eat and enjoy bacon.

“A fast, smart novel, brighter than a meteor and twice as scary. Stephen Woodworth provides shocks and thoughts in equal measure, and climbs right to the top!”—Greg Bear In a world where the dead can testify against the living, someone is getting away with murder. Because to every generation are born a select few souls with violet-colored eyes, and the ability to channel the dead. Both rare and precious—and rigidly controlled by a society that craves their services—these Violets perform a number of different duties. The most fortunate increase the world's cultural heritage by channeling the still-creative spirits of famous dead artists and musicians. The least fortunate aid the police and the law courts, catching criminals by interviewing the deceased victims of violent crime. But now the Violets themselves have become the target of a brutal serial murderer—a murderer who had learned how to mask his or her identity even from the victims. Can the FBI, aided by a Violet so scared of death that she is afraid to live, uncover the criminal in time? Or must more of her race be dispatched to the realm that has haunted them all since childhood? Praise for *Through Violet Eyes* “Chilling . . . shades of *Minority Report* and *The Eyes of Laura Mars* . . . tantalizing puzzle rife with red herrings, one made all the more entertaining by brisk pacing and strong internal logic.”—*Publishers Weekly* a “Wow . . . one cool idea and Stephen Woodworth makes it work like fine oiled machinery. Full of energy and suspense, *Through Violet Eyes*

is a great and original first novel. I look forward to his next.”—Joe R. Lansdale “An eerie and compelling page-turner that maps the terra incognita between the living and the dead, loss and redemption, desire and grief, at the same time exploring what it means to be human in a frightening otherworld that too closely evokes our own reality.”—Elizabeth Hand

“Hystericaland often touching. . . . Domestic Violets is a fast, fun, hilariousread.” —Jessica Anya Blau, critically-acclaimed author of *The Summer of Naked Swim Parties* and *Drinking Closer to Home* In the tradition of Jonathan Tropper and Tom Perrotta comes Matthew Norman's *Domestic Violets*—a darkly comic family drama about one man’s improbable trials of love, loss, and ambition; of attraction, impotence, and infidelity; and of mid-life malaise, poorly-planned revenge, and the Pulitzer Prize for Fiction.

"I'm the Idea Girl, the one who can always think of something to do." Angel Eastland knows she's different. It's not just her violet eyes that set her apart. She's smarter than her classmates and more athletically gifted. Her only real competition is Michael Vallant, who also has violet eyes -- eyes that tell her they're connected, in a way she can't figure out. Michael understands Angel. He knows her dreams, her nightmares, and her most secret fears. Together they begin to realize that nothing around them is what it seems. Someone is watching them, night and day. They have just one desperate chance to escape, one chance to find their true destiny, but their enemies are powerful -- and will do anything to stop them.

Sometimes the best place to find love is right back where you started... Falling asleep in a different bed every night has made it easy for Cain Black to forget his past. It's been ten years since he packed his guitar and left Crystal Lake, Michigan, to chase his dreams. Now tragedy has forced him home again. And though Cain relishes the freedom of the road, one stolen moment with Maggie O'Rourke makes him wonder if he's missing out on something bigger than fame. For Maggie—single mother and newly settled in Crystal Lake—love is a luxury she just can't afford. Sure, she appreciates the tall, dark and handsome looks of prodigal son Cain Black. But how long can she expect the notorious hellion to stay? The last thing either of them wants is something complicated. But sometimes love has its own plans. Bad Boys of Crystal Lake series: The Summer He Came Home The Christmas He Loved Her The Day He Kissed Her "Everything I love in a book: A hot and tender romance and a bad-boy hero to die for!" — Molly O'Keefe, author of Can't Buy Me Love

In the second fantasy set in Eerie-on-Sea, Herbert and Violet team up to solve the mystery of Gargantis — an ancient creature of the deep with the power to create life-threatening storms. There's a storm brewing over Eerie-on-Sea, and the fisherfolk say a monster is the cause. Someone has woken the ancient Gargantis, who sleeps in the watery caves beneath this spooky seaside town where legends have a habit of coming to life. It seems the Gargantis is looking for something: a treasure stolen from her underwater lair. And it just might be in the Lost-and-Foundery at the Grand Nautilus Hotel, in the care of one Herbert Lemon, Lost-and-Founder. With the help of the daring Violet Parma, ever-reliable Herbie will do his best to figure out what the Gargantis wants and who stole her treasure in the first place. In a town full of suspicious, secretive characters, it could be anyone!

"A master class in immersion. Don't let anybody tell you this book is a slow burn—Violet travels at the speed of horror." —Josh Malerman, New York Times bestselling author of *Bird Box* and *A House at the Bottom of a Lake* For many children, the summer of 1988 was filled with sunshine and laughter. But for ten-year-old Kris Barlow, it was her chance to say goodbye to her dying mother. Three decades later, loss returns—her husband killed in a car accident. And so, Kris goes home to the place where she first knew pain—to that summer house overlooking the crystal waters of Lost Lake. It's there that Kris and her eight-year-old daughter will make a stand against grief. But a shadow has fallen over the quiet lake town of Pacington, Kansas. Beneath its surface, an evil has grown—and inside that home where Kris Barlow last saw her mother, an old friend awaits her return.

This discounted ebundle includes: *Strangely Beautiful*, *Perilous Prophecy*, and *Miss Violet and the Great War* "Tells a love story with exquisite detail."—TrueBlood.net on *Perilous Prophecy* Award-winning author Leanna Renee Hieber brings to life an exciting, romantic gaslamp fantasy in the groundbreaking, critically acclaimed *Strangely Beautiful* saga. Set in the Victorian era, *Strangely Beautiful* chronicles the adventures of the Guard — ordinary people blessed with the ability to see ghosts, heal illness, dispel demons, and more. Despite their weighty tasks, they are still human, and their lives and loves are inevitably intertwined, even as they stand between humanity and all the horrors of the underworld. *Strangely Beautiful: Miss Persephone Parker*—known as Percy—is different, with her lustrous, snow-white hair, pearlescent pale skin, and uncanny ability to see and communicate with ghosts. Seeking to continue her education, Percy has come to the Athens Academy in Queen Victoria's London, not knowing that it is the citadel of The Guard. The Victorian Guard, latest incarnation of an ancient order that battles evil in all its forms, is led by Athens professor Alexi Rychman. Percy's lifelong habit of

## Acces PDF The Violet And Tom Ebook Eve Ocotillo

concealment, combined with Alexi's fevered search for the Guard's missing seventh member, nearly prove disastrous as ancient Greek myths begin playing out in modern, gaslit, Victorian London. Percy and her new friends and allies must overcome their preconceptions about each other and their own histories before they can set the world to rights. *Perilous Prophecy*: In this enchanting prequel to *Strangely Beautiful*, Cairo in the 1860s is a bustling metropolis where people from all walks of life mix and mingle in complex harmony. When evil ghosts and unquiet spirits stalk the city's streets, the Guard are summoned—six young men and women of different cultures, backgrounds, and faiths, gifted by their Goddess with great powers. While others of the Guard embrace their duties, their leader, British-born Beatrice, is gripped by doubt. What right has she, a bookish, sheltered, eighteen-year-old, to lead others into battle? Why isn't dark-eyed, compelling Ibrahim the one in charge? As ghosts maraud through Cairo's streets, heralding a terrible darkness, Beatrice and her Guard have little time to master their powers; a great battle looms as an ancient prophecy roars toward its final, deadly conclusion. *Miss Violet and the Great War*: An adventure full of passion and power. From childhood, Violet Rychman--daughter of Percy and Alexi--has dreamed of a coming war, of death and battle on an unimaginable scale. Like her mother, she has seen and heard ghosts, who have loved and guided her. Now the future Violet dreamed is coming to pass as World War I rages across Europe. Millions of people are dying; entire villages are disappearing. Violet is nearly overcome when the Muses of antiquity offer her powers greater even than those of her parents or the Guard. The ability to impact people's memories, even shape their thoughts. To guide their souls. To pass between the world of the living and that of the dead and to bring others through that passage. Violet must use these gifts in an attempt to stop death itself, lest the whole world be destroyed. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Don't miss the highly anticipated conclusion to the epic love saga readers are calling "all kinds of amazing" and "one of my top 10 of the year." He took my love away. My ever-changing enemy. I might be alive, but I'm dying on the inside. Until a miracle happens. My wildest dreams come true. All of our suffering has led to this-one moment of bliss. But twisting fate comes at a deadly price. And I'm out of lifelines. The necklace will have its way in the end. Even if my own blood is all that I have left to give. VIOLET BLOOD is the fourth book in the Murder in Savannah series about a pair of star-crossed lovers and the family secrets destined to tear them apart. This is the final novel in the series.

From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like Animal House, Caddyshack, Ghostbusters, National Lampoon's Vacation, and Groundhog Day. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In Ghostbuster's Daughter, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, Ghostbuster's Daughter takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, Ghostbuster's Daughter also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A
