Eventide is the fourth novel in K. A. Poe's Forevermore series and is approximately 73,000 words in length. If you have not read books one through three yet, please look for Kismet, Catalyst, and Solstice available anywhere e-books are sold! THE WAR is just beginning. Although Madison successfully saved Mathias and her father, Silas escaped. Overcome with conflict between reuniting with Mathias and the relationship she inadvertently built with Alan, Madison retreats into her own thoughts. Should she make a life with the white-haired boy she worked so hard to save? Or with the one who's been capturing her heart? If that isn't bad enough, she also feels lost on how to connect with a father she 's never known. Madison 's relationship struggles are cut short when she and her allies receive a phone call. Just hours after Silas stole Mathias 's gift and shimmered away, Haven has been attacked. There are casualties. But could he have gotten all the way to America so quickly? As tensions rise on all fronts, one thing is clear -- they may have won a battle, but the War has just begun.
