waiting for the right moment to steal your information, your money, and your life. As one of the world's most respected authorities on the subjects of fraud, forgery, and cyber security, Frank Abagnale knows how scammers work. In *Scam Me If You Can*, he reveals the latest tricks that today's scammers, hackers, and con artists use to steal your money and personal information--often online and over the phone. Using plain language and vivid examples, Abagnale reveals hundreds of tips, including:

- The best way to protect your phone from being hacked
- The only time you should ever use a debit card
- The one type of photo you should never post on social media
- The only conditions under which you should use WiFi networks at the airport
- The safest way to use an ATM

With his simple but counterintuitive rules, Abagnale also makes use of his insider intel to paint a picture of cybercrimes that haven't become widespread yet.

Describes the state of postwar development policy in Africa that has channeled billions of dollars in aid but failed to either reduce poverty or increase growth, offering a hopeful vision of how to address the problem.

This publication is designed to provide a practical guide for gaining a detailed awareness and understanding of homelessness. After a foreword by Jesse Jackson, these chapters are included: (1) Introduction: Assessing the Unique Needs of Homeless People (Clemmie Solomon), which discusses the need for helping professionals to commit to addressing the unique needs and challenges of homeless people; (2) Modern American Homelessness (Joan Alker), which describes some of the demographic characteristics of the homeless population; (3) Understanding the Framework of Homelessness (Ronald J. Koshes), which addresses mental health concerns in the context of homelessness through an examination of psychological, sociological, and biological aspects; (4) Advocating in the Public Policy Arena (Richard K. Yep), which reviews the role of human service professionals and public policy officials; (5) Case Management Models and Approaches for Counseling and Working With Homeless People (Phillis W. Cooke), which looks at strategic case management models, their basic functions, and a sample case study; (6) The Role of Helping Professionals: Developing Strategies for Intervention in Homelessness (Alfred L. Cooke), which begins with the basic contention that homelessness is a multifaceted, often intractable, problem that encompasses much more than the absence of a home; (7) The Unique Needs and Concerns of Homeless Women (Mark Rhyns and Hoang-Oanh Rodgers), which focuses on the unique needs and concerns of homeless women; (8) Practical Counseling Techniques: A Training Guide for Counseling Homeless Families (Willie Mae Lewis), which describes practical counseling techniques that can be adapted for curriculum development and training activities; and (9) Conclusion: Responding to the Challenge (Peggy Jackson-Jobe), which highlights implications for helping professionals. The last chapter, compiled by the Research Team of the National Association of State Coordinators for the Education of Homeless Children and Youth, lists

#1 NEW YORK TIMES BESTSELLER - OPRAH'S BOOK CLUB PICK - LONGLISTED FOR THE NATIONAL BOOK AWARD - "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."--Dwight Garner, *The New York Times* The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power--which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting

stories about people--including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others--she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.
