Development Bank (ADB) had approved 168 sovereign loans amounting to \$27.2 billion and 344 technical assistance projects amounting to \$258 million on a cumulative basis for India. Today, ADB operations cover over 20 states in India. While infrastructure projects in the energy, transport, and urban sectors comprise over 75% of ADB's operations in the country, ADB is also engaged in promoting water resources management, agribusiness infrastructure development, financial inclusion, skills development, and regional cooperation and integration. The report provides a compendium of ongoing

straddles two domains, viz., (i) water-resource policy, management, conservation, conflict-resolution, etc., and (ii) water law. The book also briefly raises and explores the case for a constitutional declaration on water and an overarching national water law. The book is an invaluable resource for policy-makers, planners and administrators concerned with water at the Central, State and local levels; students, academics and practitioners in the domains of water as well as law; and social scientists, NGOs and activists concerned with the various issues discussed in the book. It should be
