With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Take Hold of God's Vision for Your Life. A Life that is GREATER. This companion guide to Steven Furtick's life-changing Greater DVD will help you take the next step—and the ones after that—to follow Jesus's call to do even greater things than He did (John 14:12). Drawn from the powerful book Greater—and designed to be used with the Greater DVD—this user-friendly resource shows you how to apply four “greater”—releasing principles from the prophet Elisha's life: · Burn the Plows: Make a decisive break with your old life. · Digging Ditches: Start small and make practical preparations. · Upon Further Review: Live with the knowledge that faith is never wasted. · Strike the Water: Step out to live the greater life God promises. Each chapter includes a study plan that corresponds with the DVD, discussion questions, space for individual reflection, a Bible study, and suggestions for group leaders. Created to ignite your passion and move you forward, the Greater DVD Participant's Guide will inspire you to reach for the greater life—and show you how to get there. DVD not included.

file, with over 200,000 words of reading. In PRIMARY TARGET (Book #1), we see the forging of one of the world's toughest—and most lethal—soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is dispatched on a mission to Iraq, with his new partner Ed Newsam, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. In PRIMARY COMMAND (Book #2), elite Delta Force veteran Luke Stone, leads the FBI's Special Response Team on a nail-biting mission to save American hostages from a nuclear submarine. But when all goes wrong, and when the President shocks the world with his reaction, it may fall on Luke's shoulders to save not only the hostages—but the world. In PRIMARY THREAT (Book #3) elite Delta Force veteran Luke Stone leads the FBI's Special Response Team as they respond to a hostage situation on an oil rig in the remote Arctic. Yet what at first seems like a simple terrorist event may, it turns out, be much more. With a Russian master plan unfolding rapidly in the Arctic, Luke may have arrived at the precipice of the next world war. And Luke Stone may just be the only man standing in its way. THE FORGING OF LUKE STONE is an un-putdownable military thriller series, a wild action ride that will leave you turning pages late into the night. It marks the long-anticipated debut of a riveting new series by #1 bestseller Jack Mars, dubbed "one of the best thriller authors" out there.

Mary Jo Putney's riveting Lost Lords series unleashes a high stakes royal plot--which may prove easier for Damian Mackenzie to handle than his own unruly desire. . . He's a bastard and a gambler and society's favorite reprobate. But to Lady Kiri Lawford he's a hero--braver than the smugglers he rescues her from, more honorable than any lord she's ever met, and far more attractive than any man has a right to be. How can she not fall in love. . .? But Damian Mackenzie has secrets that leave no room in his life for courting high-born young ladies--especially not the sister of one of his oldest friends. Yet when Kiri's quick thinking reveals a deadly threat to England's crown, Damian learns that she is nowhere near as prim and respectable as he first assumed. . .and the lady is far more alluring than any man can resist. . . Praise for Loving a Lost Lord "Intoxicating, romantic and utterly ravishing. . ." --Eloisa James "Entrancing characters and a superb plotline. . ." --Publishers Weekly, starred review "Will leave readers smiling, breathless, and anxiously awaiting the next adventure. . ." --Library Journal, starred review "Romance at its best!" --Julia Quinn

romance featuring a duke who excels at brooding in solitude and the lady who refuses to leave him in peace. Nathaniel, Duke of Rothhaven, lives in seclusion, leaving his property only to gallop his demon-black steed across the moors by moonlight. Exasperated mamas invoke his name to frighten small children, though Nathaniel is truly a decent man -- maybe too decent for his own good. That's precisely why he must turn away the beguiling woman demanding his help. Lady Althea Wentworth has little patience for dukes, reclusive or otherwise, but she needs Rothhaven's backing to gain entrance into Polite Society. She's asked him nicely, she's called on him politely, all to no avail -- until her prize hogs just happen to plunder the ducal orchard. He longs for privacy. She's vowed to never endure another ball as a wallflower. Yet as the two grow closer, it soon becomes clear they might both be pretending to be something they're not.
