Yes my dears, Whisper the Dead packs even more of a punch than the first book, A Breath of Frost did! The Lovegrove cousins are back and not much time at all (days maybe) have passed since the Greymalkin sisters spirits were bottled by Emma. The Order has assigned Keepers to each of the cousins to watch them at all times.

Whisper the Dead (The Lovegrove Legacy, #2) by Alyxandra ...

Whisper the Dead is the second book in Alyxandra Harvey's Lovegrove Legacy trilogy and it picks up the story right where the first book, A Breath of Frost, left off. Although we still get to see plenty of both Emma and Penelope this is definitely Gretchen's story and I really enjoyed getting to know her better.

Whisper the Dead (Lovegrove Legacy): Amazon.co.uk: Harvey ...

Whisper the Dead is the second book in Alyxandra Harvey's Lovegrove Legacy trilogy and it picks up the story right where the first book, A Breath of Frost, left off. Although we still get to see plenty of both Emma and Penelope this is definitely Gretchen's story and I really enjoyed getting to know her better. Gretchen is the most outspoken of the cousins, she is very much a tomboy who has ...

Whisper the Dead, by Alyxandra Harvey is the second book in "The Lovegrove Legacy" series. Unlike the previous book, this installment is mainly narrated by Gretchen Thorn. Emma, Penelope and a lot of other characters also narrate the story occasionally, but the main focus is on Gretchen. After the events of the previous book, many of the wards in London are disappearing. The Order has also ...

Whisper the Dead: The Lovegrove Legacy, Book #2 by Alyxandra Harvey. Bloomsbury. 978-0-802737502 . 408 pp. Ages 12-18. 2014. The dead do indeed whisper. And although not all the Lovegrove cousins can hear them, ghosts and spirits and even those in the Underworld seem to have a lot to say. Seems attention must be paid, for everyone's sake. In A Breath of Frost, Book 1 in the Lovegrove Legacy ...

Cousins Gretchen, Emma, and Penelope are all dealing with what it means to be a Lovegrove. For Gretchen, it means she often feels like her head is going to explode. As a Whisperer, Gretchen constantly hears the whispers of other witches' spells. And while this does help her to know when one of her own spells is going wrong, the incessant buzzing and pain the whispers cause makes it difficult to use her gift. But when something evil begins to menace Mayfair, Gretchen must find a way to master her power. Along with her cousins, a madcap named Moira, and the icy yet irresistible Tobias Lawless, Gretchen faces deadly threats and unimaginable loss in the hopes of preventing the terrible Greymalkin Sisters from rising again. The second book in The Lovegrove Legacy trilogy, Whisper the Dead will leave readers spellbound.

In 1814, three cousins-Gretchen, Emma, and Penelope-discover their family lineage of witchcraft when a binding spell is broken, allowing their individual magical powers to manifest. Now, beyond the manicured gardens and ballrooms of Regency London, an alluring underworld available only to those with power is revealed to the cousins. By claiming their power, the three cousins have accidentally opened the gates to the underworld. Now ghouls, hellhounds-and most terrifying of all, the spirits of dark witches known as the Greymalkin Sisters-are hunting and killing young debutante witches for their powers. And, somehow, Emma is connected to the murders...because she keeps finding the bodies. Can the cousins seal the gates before another witch is killed...or even worse, before their new gifts are stripped away?

The gripping conclusion to the spellbinding YA trilogy, which "will appeal to . . . fans of . . . the Twilight Saga by Stephenie Meyer" (VOYA). In Regency London, young cousins Penelope, Gretchen, and Emma have come into their own as the latest generation of Lovegrove witches. They have faced dangers from both this world and the world beyond and they've survived it all together. But now they are no longer together. Penelope has been kidnapped by a murderous madwoman, trapped in an ancient cellar full of bones, and forced to use her talent for reading objects to locate the remains of long-dead evil witches. Her captor plans to use the bones to reanimate their dark spirits in living bodies and unleash them on an unsuspecting world. And the only hope to stop such a nightmare rests with Gretchen, Emma, and every witch in London as they struggle to reach Penelope before darkness falls forever . . . The Bone Witch is the 3rd book in the Witches of London

Trilogy, which also includes *The Secret Witch* and *The Whisper Witch*.

Violet Willoughby doesn't believe in ghosts, especially since her mother has worked as a fraudulent medium for a decade. Violet has taken part in enough of her mother's tricks to feel more than a little jaded about anything supernatural. The ghosts, however, believe in Violet and she's been seeing them everywhere. One ghost in particular needs Violet to use her emerging gift to solve her murder . . . and prevent the ghost's twin sister from suffering the same fate.

Hunter Wild just wants to get through her last year at the secret Helios-Ra Academy. To do so, she'll have to betray her grandfather, date a vampire, and possibly take down the entire League—all before winter break.

As the clans gather for the coronation of the next vampire queen, new alliances are beginning to form and the power of the clan leaders is threatened by a would-be usurper.

The first novel in a YA fantasy romance series featuring “vampires with bite and girls who bite back. A witty, exhilarating and fresh take on an old tale” (Kelley Armstrong). On her sixteenth birthday, Solange Drake is going to die . . . But that's okay. As the only daughter ever born to an ancient vampire dynasty, Solange's sweet sixteen just means she will fully come into her own as an immortal. Unfortunately, it also means a lot of people both dead and undead are now watching her. Especially Kieran Black—a vengeful agent with an anti-vampire league who blames Solange's family for his father's death. Luckily, Solange has her human best friend, Lucy, who tries to help her have as normal a life as possible, despite her overprotective brothers and the politics of the undead realm. But when Solange is abducted by a power-hungry vampire queen, it will take all her friends—as well as the daring and dangerous Kieran—to rescue her before she loses her eternal life . . . In this “action-packed” (School Library Journal) story of love, loyalty, and blood ties, Alyxandra Harvey kicks off a saga of thrills with a nail-biter—and a neck-biter—that will have readers eager to devour the rest of the series. *Hearts at Stake* is the 1st book in the *Drake Chronicles*, which also includes *Blood Feud* and *Out for Blood*.

Amber's family think she's gone to Cornwall on holiday, but really she's left home. She's forging a new life - new housemates, new job and (with a little luck) new boyfriend. She feels bad because her mother and Poppy need her, but she's got to make the break, get out of their clutches... Then Amber falls ill and her family come to look after her. Something in the house responds to Poppy's presence, something malign and threatening. When Poppy moves into the attic, it gets even stronger, until evil seems to permeate everywhere and Amber thinks she might never be able to escape... A chilling and absorbing novel from a brilliant storyteller.

Master detective Sherlock Holmes enters the macabre and nightmarish world of H. P. Lovecraft to solve a series of bizarre cases in a collection of short fiction by twenty leading authors, including Neil Gaiman, Steve Perry, Brian Stableford, Poppy Z. Brite, Barbara Hambly, and Caitlin Kiernan, among others. Reprint. 12,500 first printing.

Maggie Black leaves behind her fashionable West Coast life to pursue her passion and dreams in the Southwestern desert, reading the secrets of her late mentor, the acclaimed poet Dennis Cooper, and learning about the desert's wild, ancient secrets. Reprint.
