A guide to writing fiction and understanding the creative process presents dozens of literary and commercial examples that demonstrate how to construct a novel, in a reference complemented by personal anecdotes from the author's life.

As the author of twenty-four novels, Elizabeth George is one of the most successful--and prolific--novelists today. In *Mastering the Process*, George offers readers a master class in the art and science of crafting a novel. This is a subject she knows well, having taught creative writing both nationally and internationally for over thirty years. "I have never before read a book about writing that is so thorough, thoughtful, and most of all, helpful." --Lisa See, New York Times bestselling author of *The Island of Sea Women* For many writers, the biggest challenge is figuring out how to take that earliest glimmer of inspiration and shape it into a full-length novel. How do you even begin to transform a single idea into a complete book? In these pages, award-winning, number one New York Times bestselling author Elizabeth George takes us behind the scenes through each step of her writing process, revealing exactly what it takes to craft a novel. Drawing from her personal photos, early notes, character analyses, and rough drafts, George shows us every stage of how she wrote her novel *Careless in Red*, from researching location to imagining plot to creating characters to the actual writing and revision processes themselves. George offers us an intimate look at the procedures she follows, while also providing invaluable advice for writers about what has worked for her--and what hasn't. *Mastering the Process* gives writers practical, prescriptive, and achievable tools for creating a novel, editing a novel, and problem solving when in the midst of a novel, from a master storyteller writing at the top of her game.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O' Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Both autobiography and primer, *Escaping into the Open* is an inspiring, practical handbook on the joys and challenges of the writing life. Renowned author and writing instructor Elizabeth Berg interweaves the story of her own journey from working mother to bestselling novelist with encouraging advice on how to create stories that spring from the heart. Continually in print since its original 1999 publication, this invaluable resource is a true and constant friend to all writers, no matter their stage of development. With wit and honesty, Berg provides numerous exercises that will unleash individual creativity and utilize all five senses. Most important, she tells how to fire passion—emotion—into writing itself; to break through personal barriers and reach one's own outer limits and beyond.

Is this the year you are finally going to share your message with the world? Don't let the idea of having to write a book hold you back. It's easier than you think, and you don't even have to actually write the book yourself... Never thought about writing a book? Maybe you should consider it! Publishing a book will give you expert status, help spread your message and increase sales of your other products and services. It may even kick-start or boost your public speaking career. Writing, publishing and promoting a book has never been easier. You can do it in a week. This guide will teach you: The best kept secrets to a quick start for writing, promotion and sales Smart writing process hacks Alternatives to writing the book yourself Self-publishing The keys to launching a successful book, superfast "I just published my book. What I haven't been able to achieve in the past three years I did in just 7 days!" Chris About the authors Esther Jacobs (The Netherlands, 1970) is an international (TEDx) speaker and author. Esther has given over 1000 keynotes and is (co)author of 21 books. Her workshops have helped over 400 entrepreneurs to write their book. The NO EXCUSES LADY helps leaders and entrepreneurs to transform their challenges into opportunities. Marie Stern (Germany, 1982) is an "Amazon Self-Publishing Ninja." She authored 7 bestselling Amazon books, even though she wasn't even good at writing in school. However, she spent many hours browsing and reading in bookstores, discovering the secret behind successful books. As a former data mining analyst, she knows how important research is and how to find structure in any process. Marie helped many non-writers have their book written and likes to share her best knowledge on how to self-publishing and sell books. Esther and Marie met at a conference, where they were giving a book writing workshop. They decided to write this book in just one day, using their own tested method. And now they're inviting you to try it, too!

Have you always wanted to write a book but, just never get around to it? Do you lack confidence in yourself as a writer? Need inspiration? *How to Write a Book in a Week ( A Writer's Guide to Meeting a Deadline )* is the answer to all of these questions and more.

All fiction is character-driven, according to William Bernhardt, despite what you might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from *The Odyssey* to *The Da Vinci Code*, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers apply these ideas to their own work. William Bernhardt is the author of more than thirty novels, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn) and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red sneakers get the job done, and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? If so, this book is for you.

NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

"A highly motivational resource." The Midwest Book Review At some point in their career, all writers experience either the pain of rejection, discouragement, disappointment, and/or other hazards of the writing life. The key is to identify the obstacles ahead and know how to overcome them. - Learn the truth about failure. - Discover the ultimate dream killer. - Find out how to get rid of a wet blanket - Discover the one secret every full-time writer knows - And much more This revised and update edition includes information for indie authors, expands on the necessary traits of long-term professionals and addresses other changes in the industry. Your destiny is at hand!
