You won't see any Apex, Phazer, Vector or Venture models in the 2019 Yamaha lineup. In fact, the entire Yamaha snowmobile lineup is much leaner for 2019, with a total of just 12 models – down from 34 just one year ago. That 2019 lineup includes a total of eight Sidewinder models, along with the Viper L-TX, Viking 540, Snoscoot ES and SRX120.

Best in Show is a collection of photographs of well-groomed and award-winning dogs by New York
City-based photographer Dolly Faibyshev. The images from the Westminster Kennel Club Dog Show and
beyond focus on the unique—and often humorous—relationship between each dog and their handler. Dolly
Faibyshev focuses on kitsch, irony, and the larger than life human and canine characters that make up
Best in Show. The result is a colorful, vibrant, campy, and satirical take on this specific slice of
Americana. • The colorful, closely cropped juxtapositions of each coiffed canine contestant and their
dedicated human are both humorous and charming. • Sure to delight fans of all breeds of dogs • A
universal and ideal book for all canine lovers with a sense of humor Best in Show captures a specific
subculture of dog devotees primarily from the infamous Westminster Kennel Club Dog Show at Madison
Square Garden in New York. • A perfect book for anyone who is completely and totally obsessed with dogs
and the Westminster Kennel Club Dog Show • Photographers and contemporary art lovers will also love
this celebration of Dolly Faibyshev's work • Great for fans of The Dogist: Photographic Encounters with
1,000 Dogs by Elias Weiss Friedman, Dogs by Lewis Blackwell and Tim Flach, and Underwater Dogs by Seth

Casteel

After outlaws steal a cache of gold and take a young woman hostage, Colter Farrow is back on the vengeance trail, determined to bring the woman back alive-and send the killers of Cimarron straight to hell.

Making Sense of World History is a comprehensive and accessible textbook that helps students understand the key themes of world history within a chronological framework stretching from ancient times to the present day. To lend coherence to its narrative, the book employs a set of organizing devices that connect times, places, and/or themes. This narrative is supported by: Flowcharts that show how phenomena within diverse broad themes interact in generating key processes and events in world history. A discussion of the common challenges faced by different types of agent, including rulers, merchants, farmers, and parents, and a comparison of how these challenges were addressed in different times and places. An exhaustive and balanced treatment of themes such as culture, politics, and economy, with an emphasis on interaction. Explicit attention to skill acquisition in organizing information, cultural sensitivity, comparison, visual literacy, integration, interrogating primary sources, and critical thinking. A focus on historical "episodes" that are carefully related to each other. Through the use of such devices, the book shows the cumulative effect of thematic interactions through time, communicates the many ways in which societies have influenced each other through history, and allows us to compare and contrast how they have reacted to similar challenges. They also allow the reader to transcend historical controversies and can be used to stimulate class discussions and guide student assignments. With a unified authorial voice and offering a narrative from the ancient to the present, this is the go-to textbook for World History courses and students. The Open Access version of this book, available at <https://www.taylorfrancis.com/books/9781003013518>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

While some travellers look for trouble others unwittingly find themselves in such deep water they are unable to cope. Fortunately for both groups there are men and women worldwide whose job it is to extend a friendly hand. When young James Shea decided to write a book about his father's assistance work as EU representative on the paradisiacal tropical island of Jasmine he discovered that there is a world of crime and corruption very close to home. Pedro Rey, alias "the snake", is the villain. The prominent and successful businessman heads a dangerous criminal organization. Rey becomes increasingly unhappy as James' father keeps getting in his way and upsetting his plans. Gathering material for his book James finds himself plunged into Rey's world. Events escalate, featuring smuggling, kidnapping and murder.
