Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Renowned engine builder and technical writer David Vizard turns his attention to extracting serious horsepower from small-block Chevy engines while doing it on a budget. Included are details of the desirable factory part numbers, easy do-it-yourself cylinder head modifications, inexpensive but effective aftermarket parts, the best blocks, rotating assembly (cranks, rods, and pistons), camshaft selection, lubrication, induction, ignition, exhaust systems, and more.

p-i-l-a-t-e-s Cadillac Instructor Manual Levels 3 to 5 has 93 detailed Intermediate to Advanced Pilates exercises. This manual offers a complete guide to performing exercises on the Cadillac/Trapeze Table. A traditional piece of equipment necessary for any Pilates Studio this manual offers a step by step guide to progressing clients with this apparatus. It is an excellent resource for Pilates Instructors and Personal Trainers.

The author of *The Wisdom of Insecurity* and *The Way of Zen* draws upon a variety of religious traditions to explore Taoism, living in the present moment, and more. In this collection of writings, including nine new chapters never before available in book form, Alan Watts displays the intelligence, playfulness of thought, and simplicity of language that has made him so perennially popular as an interpreter of Eastern thought for Westerners. He draws on a variety of religious traditions, and covers topics such as the challenge of seeing one's life "just as it is," the Taoist approach to harmonious living, the limits of language in the face of ineffable spiritual truth, and the psychological symbolism of Christian thought. "Life exists only at this very moment, and in this moment it is infinite and eternal. For the present moment is infinitely small; before we can measure it, it has gone, and yet it exists forever. . . . You may believe yourself out of harmony with life and its eternal Now; but you cannot be, for you are life and exist Now." —from *Become What You Are*

Total Car Care is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself, with the confidence only a Chilton Repair Manual can provide.

The Chilton 2010 Chrysler Service Manuals now include even better graphics and expanded procedures! Chilton's editors have put together the most current automotive repair information available to assist users during daily repairs. This new two-volume manual set allows users to accurately and efficiently diagnose and repair late-model cars and trucks. Trust the step-by-step procedures and helpful illustrations that only Chilton can provide. These manuals cover 2008 and 2009 models plus available 2010 models.

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.
