aspergers syndrome workplace survival guide overcomes this by providing the understanding and tools that a person with aspergers needs in the workplace and explaining the rules of employment that can appear so alien it is the perfect guide for surviving and thriving in the world of work author malcolm johnson author of managing with asperger syndrome barbara bissonnettes book is loaded

The workplace can be a difficult environment for people with Asperger's Syndrome (AS) and this often impedes their ability to make use of particular skills and sustain meaningful and fulfilling employment. This is the definitive guide to surviving and thriving in the workplace for people with AS. It includes everything from realistic strategies for meeting employer expectations, to how to get along with your colleagues and work as part of a team, multitask and manage projects, and handle anxiety and effectively resolve problems. Common employment challenges are illustrated through examples from the author's extensive experience coaching individuals with AS at all job levels, from entry-level to manager and professional positions. The pragmatic recommendations in the book will benefit anyone with AS who is entering the workforce, as well as those who struggle to maintain employment, or who want to improve their performance and advance their careers.

Offers people with Asperger's syndrome advice and strategies for thriving in the workplace, covering such topics as meeting employer expectations, working as part of a team, multitasking, and solving problems effectively.

In this unique guide, career development coach and former business executive Barbara Bissonnette explains what it takes to succeed in a workplace dominated by neurotypicals. The Asperger's Syndrome Workplace Survival Guide covers everything from choosing the right career to deciding whether disclosure is the right option. It features realistic strategies for meeting employer expectations and effectively resolving problems. Examples from Barbara's coaching clients are used to illustrate common employment challenges and how various techniques are applied in actual circumstances. Situations are described from both the Asperger's and neurotypical point of view so that readers understand why problems occur and how to avoid them in the future. The Asperger's Syndrome Workplace Survival Guide is designed to be a handy reference that readers can refer to again and again for guidance on specific job-related topics. The pragmatic recommendations will benefit individuals who are entering the workforce, as well as those who struggle to maintain employment, or who want to improve their performance and advance their careers.

Hawkins guides readers through the process of gaining employment, from building a supportive team, addressing workplace challenges, to securing an appropriate post. The book includes practical tips on topics such as finding potential employers and creating a dazzling CV, as well as sensitive advice on assessing when somebody is ready for work.

Finding a job is a confusing and anxiety-provoking process for many individuals with Asperger's Syndrome (AS) who may not know what they are qualified to do and may struggle to communicate their value to employers. In this book, Asperger's employment expert Barbara Bissonnette describes exactly what it takes to get hired in the neurotypical workplace. Every aspect of finding employment is covered, from defining strengths and researching occupations, to marketing oneself and projecting confidence and enthusiasm in interviews. Job-hunters are taught how to develop a personal profile of their talents and skills, their ideal work environment, and important work criteria. They are then shown how to set realistic goals and develop an effective job search plan. There is detailed instruction on networking, including how to find contacts and what to say. A wealth of checklists, templates, sample scripts and written communications accompany the text. Upfront, engaging and highly practical, this will be an essential guide for individuals with AS entering the workforce for the first time, as well as experienced workers who have lost jobs or wish to change careers but are uncertain about how to find the best match for their abilities.

Asperger employment guide: a workbook for individuals on the autistic spectrum, their families, and helping professionals.

Most people with Non-Verbal Learning Disorder or AS are underemployed. This book sets out to change this. With practical advice on everything from job hunting to interview techniques, from 'fitting in' in the workplace to whether or not to disclose a diagnosis, this book guides people with NLD or AS successfully through the employment mine field.

Employment expert Barbara Bissonnette provides strategies that professionals and parents need to guide individuals with Asperger's Syndrome (Autism Spectrum Disorder) to manageable jobs, and keep them employed. Career counselors and coaches, vocational rehabilitation specialists, other professionals, and parents are often unsure of how to assist people with Asperger's Syndrome. Traditional career assessments and protocols do not match their unique needs. In this practical book, readers will gain insight into how people with Asperger's Syndrome think and the common employment challenges they face. It explains how to build rapport and trust, facilitate better job matches, improve interpersonal communication and executive function skills, and encourage flexible-thinking and problem-solving. With tried-and-tested advice, assessment tools, and in-depth profiles of actual coaching clients and innovative companies that are utilizing the specialized skills of people with Asperger's, this book shows the way to a brighter employment future for those on the autism spectrum.

Includes bibliographical references (p. 227-230) and index.

Up to 85% of the Asperger's population are without full-time employment, though many have above-average intelligence. Rudy Simone, an adult with Asperger's Syndrome and an accomplished author, consultant, and musician, created this insightful resource to help employers, educators, and therapists accommodate this growing population, and to help people with Asperger's find and keep gainful employment. Rudy's candid advice is based on her personal experiences and the experiences of over fifty adults with Asperger's from all over the world, in addition to their employers and numerous experts in the field. Detailed lists provide balanced guidelines for success, while Rudy's "Interview Tips" and "Personal Job Map" tools will help Aspergians, young or old, find their employment niche. There is more to a job than what the tasks are: from social blunders, to sensory issues, to bullying by coworkers, Simone presents solutions to difficult challenges. Readers will be enriched, enlightened, and ready to work--together!
