Bestselling author Sandra Brown weaves a tale of murder, passion, and intrigue in the pristine corridors of the White House. Barrie Travis is not famous: she's just a damn good reporter stuck at a low-budget television station. Then, her old friend and now First Lady calls her to investigate the supposed SIDS death of her baby. Stunned by grief after the loss of her infant son, the President's wife hints that her child may have murdered. Blind to everything but finding the truth, Barrie delves into the private lives of the president and his wife and uncovers dark and terrible secrets that will test her ethics, her patriotism, and her courage. With the help of Gray Bondurant, a mysterious former presidential aide, this story could topple the presidency and change the course of history. In this fast-moving political thriller, Barrie must fight powerful forces that want nothing more than to see the scandalous past-and a certain young reporter-dead and buried.

An ambitious reporter haunted by memories of the war in Afghanistan follows an FBI tip to investigate the mysterious disappearance -- and likely murder -- of a former Marine. Dawson Scott is a haunted man. A well-respected journalist recently returned from an assignment in Afghanistan, he's privately suffering from battle fatigue, and it has begun to threaten every aspect of his life. But when Dawson gets a call from a source within the FBI, it could be his big break -- and he has a vested interest in the case. New information has come to light for a story that began 40 years ago. Soon, Dawson is covering the disappearance and presumed murder of former Marine Jeremy Wesson, the biological son of the pair of terrorists who remain on the FBI's Most Wanted list. As Dawson digs deeper into the story, he cannot ignore his developing feelings for Wesson's ex-wife, Amelia, and his desire to protect her two young sons. The case takes a stunning new turn when Amelia's nanny turns up dead, and Dawson finds himself the prime suspect. Haunted by his own demons, Dawson takes up the chase, for only the notorious outlaws can clear his name . . . and reveal the secret, startling truth about himself.

With a "knack for romantic tension and page-turning suspense, this one is a winner." The year 1920 comes in with a roar in this rousing and suspenseful New York Times bestselling novel by Sandra Brown. Prohibition is the new law of the land, but murder, mayhem, lust, and greed are already institutions in the Moonshine Capitol of Texas (Booklist, starred review). Thatcher Hutton, a war-weary soldier on the way back to his cowboy life, jumps from a moving freight train to avoid trouble . . . and lands in more than he bargained for. On the day he arrives in Foley, Texas, a local woman goes missing. Thatcher, the only stranger in town, is suspected of her abduction, and worse. Standing between him and exoneration are a corrupt mayor, a crooked sheriff, a notorious cathouse madam, a sly bootlegger, feuding moonshiners . . . and a young widow whose soft features conceal an iron will. What was supposed to be a fresh start for Laurel Plummer turns to tragedy. Left destitute but determined to dictate her own future, Laurel plunges into the lucrative regional industry, much to the dislike of the good ol' boys, who have ruled supreme. Her success quickly makes her a target for cutthroat competitors, whose only code of law is reprisal. As violence erupts, Laurel and-now deputy-Thatcher find themselves on opposite sides of a moonshine war, where blood flows as freely as whiskey. Includes a Reading Group Guide.
