If you've felt the unabashed freedom that comes with a motorcycle, then you know the Harley lifestyle. The Life Harley-Davidson takes a deep look at all aspect of the life that comes with these bikes. From the moment we first saw riders experiencing the joy and the freedom that can only be found riding a powerful motorcycle down an open road, many of us have been hooked on the life Harley-Davidson. The Life: Harley-Davidson celebrates that freedom. The Life Harley-Davidson covers all aspects of the Harley lifestyle, profiling celebrity Harley fans like Elvis Presley, Hunter S. Thompson, Peter Fonda, and Arnold Schwarzenegger. All the iconic machines are here, too, like the Sporster, Electra Glide, and Fat Boy. The book also explores all the major types of custom Harleys, like Bobbers, Choppers, and Cafe racers. This is about more than just motorcycles, though. It 's about community, gear, and tattoos. It 's about B movies, like The Wild One, The Wild Angels, and Wild Hogs. And, of course, television 's Sons of Anarchy, a program that ignited interest in the life Harley-Davidson among a younger generation of rebels. Chapters cover the one percenter outlaw club scene, focusing on international clubs like the Hell's Angels, Outlaws, Pagans, and Dragons.
