This work offers an examination of the hospitality industry and its related fields. Emphasis is on the application of general principles of marketing, human resources and management to the hospitality industry.

"This new eighth edition of Introduction to Hospitality focuses on hospitality operations and has been written in response to professors and students who wanted a broader view of the world's largest industry. Introduction to Hospitality complements Introduction to Hospitality Management and Exploring the Hospitality Industry, also written by John R. Walker. Adopters may select the title best suited to their needs. This text offers a comprehensive overview of the industry"--

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Capturing the flavor and breadth of the industry, Introduction to Hospitality Management, Fourth Edition, explores all aspects of the field including: travel and tourism; lodging; foodservice; meetings, conventions and expositions; and leisure and recreation. Devoting six chapters to management, the text focuses on hospitality and management and uses first-person accounts, corporate profiles and industry morsels to foster a student's appreciation for the field. Throughout, author John R. Walker invites students to share this industry's unique enthusiasm and passion. The text is organized into five sections: the hospitality industry and tourism; lodging; restaurants, managed services, and beverages; recreation, theme parks, clubs, and gaming entertainment; and assemblies and event management. Each section includes insight from industry professionals, contains up-to-date information on career opportunities, and includes many examples illuminating current industry trends and realities. Extensively revised and updated, this edition contains new photos, new page layouts, and new coverage on topics ranging from sustainability to globalization

This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. For introductory courses in hospitality. An engaging introduction to hospitality, for tomorrow's managers Introduction to Hospitality is a lively, comprehensive survey of the world's largest industry -- hospitality. Students explore the vibrant inner workings of each hospitality segment, including hospitality and lodging; beverages, restaurants, and managed services; tourism, recreation, attractions, clubs, and gaming; assemblies, events, and attractions; and managerial areas of the hospitality industry. The 8th edition highlights a range of issues shaping the future of each segment of the hospitality industry.

For Introduction to Hospitality courses Empower tomorrow's hospitality leaders with a visually appealing, easy, and engaging introduction to the exciting opportunities in the many varied segments of the industry Exploring the Hospitality Industry helps students advance in their careers by giving them a broad foundation of hospitality industry knowledge presented in a lively, visually appealing manner using engaging features to facilitate the learning process. Less theoretical and more industry-relevant than most texts in the field, it emphasizes the people, companies, and positions that make up the hospitality industry today. Moving beyond just restaurants and hotels to cover all facets and segments of the industry, it includes new growth areas such as event management, meeting planning, cruising, theme parks, and gaming entertainment. The focus on sustainability features case studies on practitioners and corporations that engage and involve reads as they explore the trends in this ever-growing field. Also available with MyHospitalityLab® MyHospitalityLab not included. Students, if MyHospitalityLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyHospitalityLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. This title is also available with MyHospitalityLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. To help students explore the hospitality industry, MyHospitalityLab includes industry-specific simulations from Hospitality & Tourism Interactive (HTi), and real case studies written by industry leaders.

Order of authors reversed on previous eds.

For all introductory-level courses in hospitality. The Sixth Edition of Introduction to Hospitality focuses on hospitality operations while offering a broad, comprehensive foundation of current knowledge about the world's largest industry. Throughout, author John R. Walker invites students to share this industry's unique enthusiasm and passion. The text is organized into five sections: the hospitality industry and tourism; lodging; restaurants, managed services, and beverages; recreation, theme parks, clubs, and gaming entertainment; and assemblies and event management. Each section includes insight from industry professionals, contains up-to-date information on career opportunities, and includes many examples illuminating current industry trends and realities. Extensively revised and updated, this edition contains new photos, new page layouts, and new coverage on topics ranging from sustainability to globalization.

An authoritative, up-to-date, and one-stop guide to the restaurant business In the newly revised The Restaurant: From Concept to Operation, Ninth Edition, accomplished hospitality and restaurant professional John R. Walker delivers a comprehensive exploration of opening a restaurant, from the initial idea to the grand opening. The book offers readers robust, applications-based coverage of all aspects of developing, opening, and running a restaurant. Readers will discover up-to-date material on staffing, legal and regulatory issues, cost control, financing, marketing and promotion, equipment and design, menus, sanitation, and concepts. Every chapter has been revised, updated and enhanced with several industry examples, sidebars, charts, tables, photos, and menus. The Restaurant: From Concept to Operation, Ninth Edition provides readers with all the information they need to make sound decisions that will allow for the building of a thriving restaurant business. The book also offers: A thorough introduction to the restaurant business, from the history of eating out to the modern challenges of restaurant operation A comprehensive exploration of restaurants and their owners, including quick-casual, sandwich, family, fine-dining, and other establishments Practical discussions of menus, kitchens, and purchasing, including prices and pricing strategies, menu accuracy, health inspections, and food purchasing systems In-depth examinations of restaurant operations, including bar and beverage service, budgeting and control, and food production and sanitation An indispensable resource for undergraduate and graduate restaurant and food management services and business administration students, The Restaurant: From Concept to Operation, Ninth Edition is also perfect for aspiring and practicing restaurant owners and restaurant investors seeking a one-stop guide to the restaurant business.

The hospitality industry's rapid evolution provides career-seekers with tremendous opportunity—and unique challenges. Changes in the global economy, rising interest in ecotourism, the influence of internet commerce, and a myriad of other trends contribute to the dynamic nature of this exciting field. Introduction to Hospitality Management presents a thorough overview of historical perspectives, current trends, and real-world practices. Coverage of bar and restaurant management, hotel and lodging operations, travel and tourism, and much more gives students a comprehensive analysis of this rewarding field. Focusing on practicality, this text presents real-world examples of traditional methods alongside insightful discussions surrounding changes in consumer demands and key issues affecting the industry. The industry's multifaceted nature lends itself to broad exploration, and this text provides: Clear guidance through topics related to foodservice operations, convention management, meeting planning, casino and gaming management, leadership and staffing, financial and business models, and promotion and marketing Emphasis on career planning and job placement strategies, giving students a head start in charting their future in hospitality A combination of Drs. Reynolds and Barrows' two leading textbooks, Introduction to Management in the Hospitality Industry and Introduction to the Hospitality Industry, into one cohesive, comprehensive edition Substantial coverage of internet commerce and marketing Case studies, including actual interviews with industry professionals, to reinforce primary learning objectives and build critical thinking skills An emphasize on real-world skills and practical methods employed by management professionals Methods to prepare students for job placement in multiple areas of the hospitality and tourism industry Introduction to Hospitality Management is an essential text for students learning about, or with an interest in, the hospitality industry. Written in a clear and accessible style, this important book leaves readers with a strong grasp of the topics and trends most important to a career in the hospitality industry
