Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! When eight-and-a-half-year-old Mallory McDonald's parents tell her that they are moving, she's mad—really mad! It's not fair! How can they make her move away from Mary Ann, her best friend in the whole wide world? Who will she paint her toenails with, tell secrets to, and make scrapbooks with? When Mallory arrives at her new house on Wish Pond Road, things are terrible. Her room is too small and the girl next door is mean. But Joey lives next door, too. Even though he doesn't paint his toes, he tells jokes, helps teach her cat to do tricks, and shows her how to skateboard. Mallory's having so much fun she forgets the pact she made with Mary Ann never to make friends with a boy next door. But, when Mary Ann comes to visit, what will Mallory do? Will she have to choose between her best friend and her new friend?

Mallory's new neighbors hire her to watch their twin boys, but Mallory has trouble balancing her babysitting duties with her schoolwork and friends. Will she figure out how to prioritize the things that matter the most?

When her best friends Mary Ann and Joey get caught up in the excitement of having a new baby brother, Mallory feels left out.

Mallory's not sure what to do, what to say on the phone, or even how she feels. Her best friend, Mary Ann, however, is sure about what Mallory should feel and do. But when Mallory follows Mary Ann's advice, she winds up hurting another friend—and gets in BIG trouble. Can Mallory make things right and learn to follow her own heart?

Everything in Mallory McDonald's life is changing! Fourth grade is over and summer is off to a shaky start. The Winstons are moving from Wish Pond Road to a bigger house across town, so Mallory's best friends, Mary Ann and Joey, won't be living next door anymore. And her friend Chloe Jennifer will be gone for the whole summer. On top of all this, Mallory's cat, Cheeseburger, suddenly gets sick! How will Mallory deal with all these changes? Will the vet help Cheeseburger get well? And will Mallory find new ways to have fun this summer?

Mallory starts fifth grade and has to adjust to a new teacher, a tough school project, and trouble with her best friend that involves her brother Max.
