Workbook and Audio Activities provides written practice and guides the students through the activities on the Audio CDs.

The second edition of Vis-à-vis continues the excitement of the innovative first edition with a fully integrated and revised multimedia package and an exciting Correspondance feature (chapter opening letter, postcard or e-mail, which is answered in the mid-lesson Correspondance cultural spread) presented throughout the text. The overall goal of the revision, which was shaped by the extensive user feedback, remains the same as that of the first edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.

**Beginning This** self-study workbook provides a wealth of exercises to develop French-language vocabulary, grammar, reading, and writing skills. Puzzles, games, and other activities build mastery through fun-filled challenges and cultural insights. Use alone or as a companion workbook to the best-selling Just Listen 'n Learn French program.

This combined workbook/laboratory manual contains both acquisition activities and learning exercises for use outside the classroom and includes an answer key in the back of the book.
