The SAP Easy Access menu offers a user-specific entry point and navigation options in the SAP system. In this conte xt, " user-specific " means that the tree structure displays only those transactions with which you may work accord- ing to your role (see Chapter 13, The Role and Authorization Concept, for details on roles).

Using SAP: A Guide for Beginners and End Users
SAP User Menu Content or the transaction codes in this menu are derived according to the roles and authorization given to a particular user. All the transaction codes specified in a particular role given to a user will appear in the User Menu. SAP Standard Menu This is a standard SAP menu derived via roles and authorizations.
