In the last few years London has become a thriving brewing capital, with dozens of interesting craft breweries and taprooms opening up. It now seems amazing that just 20 years ago there were only around 5 independent breweries located in London. This is now estimated to be over 100. It really is a fantastic time to be a beer drinker. The aim of this guide is to provide a handy list of the craft breweries that have taproom or brewery tour so you can visit, see where the beer you are drinking is actually brewed, and then taste the liquid gold literally direct from the source. This handy London beer guide provides details of over 50 craft breweries and nearest tube or train station to each. There is also information about interesting pubs and bars located nearby. It really is an essential guide for any beer lover who lives in or is visiting London.

Craft Beer World is the must-have companion for anyone who appreciates decent beer. The last few years have seen an explosion in the popularity of craft beers across the globe, with excellent new brews being produced everywhere from Copenhagen to Colorado, Amsterdam to Auckland. With more amazing beers available than ever before, it's hard to know which ones to choose. That's where Craft Beer World comes in. Gathering together over 300 of the most innovative and tastiest beers you need to try, and divided into 50 different categories, you will find the best of the best each style has to offer. Every category comes with an explanation of the key characteristics of the style - whether it's an American IPA bursting with citrusy C-hops or an Imperial Stout full of dark roasted malts - along with an example of a classic brew and a selection of cutting edge versions that are certain to become instant favourites. So whether you're looking for bitter beers or balanced flavours, a hit of hops or a hint of coffee, the reviews will point you in the right direction to find the perfect beer to suit your tastebuds. Also included throughout the book are interesting nuggets of beer information, covering everything from the catalyst that has caused the astonishing growth in craft beer through to matching beer with food and how to serve your drinks. Mark Dredge is an award-winning beer writer and runs the popular blog Pencil and Spoon where he writes about anything ale-related. Mark has won awards from the British Guild of Beer Writers in 2009, 2010 and 2011, his work is featured in leading publications across the globe and he's an international beer judge.
