Fairies, princesses, mermaids, pop stars, and more: 62 illustrations need their final finishing touches. Girls will have fun creating their own personalized pictures -- and then coloring the completed drawings.

A car, a rocket ship, a jet plane, an ice cream truck — you can learn how to draw these and other vehicles by following six or fewer easy steps.

Simple, step-by-step diagrams -- and blank practice pages -- make it easy for youngsters to sketch basic likenesses of fruit, fish, animals, and other fun subjects. 30 easy lessons.

Learn to be quick on the draw with this easy guide to sketching cars and trucks Transform basic shapes and lines into a host of vehicles with this revved-up drawing guide. Fifty simple lessons show kids ages 8 to 12 how to put together a sketch in only three or four fast-paced steps. Create race cars, big rigs, fire trucks, motorcycles, dune buggies, mobile homes, and other wheeled vehicles — fast!

Here's a new creative outlet for clever kids. They can complete 62 illustrations in their own unique style -- by creating a rocket ship, decorating a private jet or a hot-air balloon, designing a car, and more.

Using simple shapes, beginning artists can draw pictures using the examples in this book.

Teach Your Kids How To Draw Animals and People and many things And Boost Their Development! Kids love drawing. And it's a love that should be cherished and supported because drawing has numerous proven benefits such as: improving hand-eye coordination developing problem-solving skills boosting confidence providing an outlet for kids' emotions Kids should be offered both coloring books and opportunities for free drawing. This ensures that they practice a wide range of artistic and motor skills. This book will teach your little one how to draw animals and People and many things . Horses, pandas, elephants... you name it! This book is a step-by-step guide to drawing every animal your little one can think of! It's also a great opportunity to learn the names of all the animals in the book. Here's what this book has to offer: Easy-to-follow guides to drawing animals and People and many things Hours and hours of quiet fun A great learning opportunity for your child An opportunity to strengthen your parent-child bond as you tell your little one about the animals they're drawing! Once your little one masters their first drawing, they'll be so excited about their experience that they are sure to want more! As their drawing skills improve with practice, they'll learn to draw animals in different poses and moods. And if you let their imagination run wild, they'll even come up with unique fantasy animals! To maximize the fun, you can draw together with your little one, and maybe also involve an older sibling. The possibilities are endless! Give your little one many hours of joy and educational fun!
